Your RTI Application

Please refer to the Ministry of Human Resource Development, Department of Higher Education letter No. F.No.16-7/2016(RTI-5)-TS-V dated 20th January 2016, in reply to your RTI Application, marking a copy to us with a request to provide requisite information, which was received by us on 20th January 2016.

We hereby furnished the reply to your queries:

A. Criteria for Shortlisting for WAT & PI for Physically Handicap (DAP)

Minimum cutoff percentiles (CAT 2015)

Category	Quantitative Aptitude (Section 1)	Data Interpretation & Logical Reasoning (Section 2)	Verbal & Reading Comprehension (Section 3)	Total (Overall)
DAP	30	30	30	45

B. Criteria that would be used to select candidates post Personal Interview (PI) and Written Analysis Test (WAT):

The following will be the parameters and corresponding weightages used to arrive at the composite score of the candidates, which will be used to prepare the final merit list for admissions.

Please note that the sub-parameters used under each head are also mentioned below, (for e.g., the WAT examines the candidate's vocabulary, content of writing and writing skills).

1. CAT score: **50 per cent weightage.**
2. Written Analysis Test (**15 per cent weightage**):
Vocabulary, content of writing and writing skills
3. Personal Interview (**15 per cent weightage**):
 - a. Communication, attitude and personality
 - b. Academic efforts and disposition
 - c. Managerial and leadership attributes
 - d. Social awareness and disposition
 - e. Overall presence
4. Work experience (based on relevance and quality of work experience and achievements, if any):
5 per cent weightage

5. Performance at Undergraduate level: **10 per cent weightage.**

This performance shall be measured by multiplying the percentage marks scored by the weightage applicable to the discipline as shown below. 10 per cent of the score so obtained shall be considered in the overall evaluation. [UG performance score = (per cent score at UG * discipline weightage)* 0.10]

Differential weightages, as shown below, shall be applied to different disciplines to account for the degree of difficulty in scoring in different disciplines (for instance, scoring in Engineering disciplines is easier than in Arts) as well as to encourage diversity in the batch:

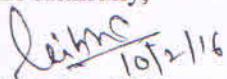

- a. Engineering / Technology: 0.6
- b. Science: 0.8
- c. Arts / Medicine (including Pharmacy): 0.9
- d. Commerce / Economics / Management: 1.0
6. Master's degree or Professional Qualification : **2 per cent weightage**

(Pass in the Master Degree / final examinations of CA / ICWA/ CS)

7. Gender Diversity : **3 per cent weightage** for female candidates.

In case you are not satisfied with the above reply, you may prefer an appeal to Dr. K Selvanathan, Chief Administrative Officer & First Appellant Authority, Indian Institute of Management Tiruchirappalli, NIT Campus (Post), Tiruchirappalli 620 015 within thirty days from the receipt of this reply.

Sir,

Sub: Your RTI Application

Please refer to the Ministry of Human Resource Development, Department of Higher Education letter No. 16-7/2016 (RTI-110)-TS-V dated 21st April 2016, in reply to your RTI Application Registration No. DOHED/R/2016/51292 dt. 20.4.2016, marking a copy to us with a request to provide requisite information, which was received by us on 21st April 2016.

We hereby furnished the reply to your queries:

Question: Selection criteria:

Ans:

A. Criteria for shortlisting for PI & WAT:

IIM T will use CAT percentile for shortlisting candidates for PI & WAT. Table 1 indicates the minimum performance expected from candidates to be shortlisted for the PI & WAT. Please note that achieving the cut-off percentile in CAT is a necessary but not sufficient condition for being shortlisted.

Table - 1
Minimum cutoff percentiles (CAT 2015)

Category	Quantitative Aptitude (Section 1)	Data Interpretation & Logical Reasoning (Section 2)	Verbal & Reading Comprehension (Section 3)	Total
General	70	70	70	96
NC-OBC	58	58	58	77.5
SC	50	50	50	59
ST	30	30	30	40
DAP	30	30	30	45

B. Criteria that would be used to select candidates post Personal Interview (PI) and Written Analysis Test (WAT):

The following will be the parameters and corresponding weightages used to arrive at the composite score of the candidates, which will be used to prepare the final merit list for admissions.

Please note that the sub-parameters used under each head are also mentioned below, (for e.g., the WAT examines the candidate's vocabulary, content of writing and writing skills).

1. CAT score: 50 per cent weightage.

2. Written Analysis Test (15 per cent weightage):

Vocabulary, content of writing and writing skills

3. Personal Interview (15 per cent weightage):

- a. Communication, attitude and personality
- b. Academic efforts and disposition
- c. Managerial and leadership attributes
- d. Social awareness and disposition
- e. Overall presence

4. Work experience (based on relevance and quality of work experience and achievements, if any): 5 per cent weightage

5. Performance at Undergraduate level: 10 per cent weightage.

This performance shall be measured by multiplying the percentage marks scored by the weightage applicable to the discipline as shown below. 10 per cent of the score so obtained shall be considered in the overall evaluation. [UG performance score = (per cent score at UG * discipline weightage) * 0.10]

- a. Engineering / Technology: 0.6
- b. Science: 0.8
- c. Arts / Medicine (including Pharmacy): 0.9
- d. Commerce / Economics / Management: 1.0

6. Master's degree or Professional Qualification : 2 per cent weightage

(Pass in the Master Degree / final examinations of CA / ICWA/ CS)

7. Gender Diversity : 3 per cent weightage for female candidates.

In case you are not satisfied with the above reply, you may prefer an appeal to Dr. K Selvanathan, Chief Administrative Officer & First Appellant Authority, Indian Institute of Management Tiruchirappalli, NIT Campus (Post), Tiruchirappalli 620 015 within thirty days from the receipt of this reply.

OBC/Gen but almost half for SC/SC.

As OBC comes under reservation, provide the reason due to which OBC candidate has to pay examination fee of RBI, IBPS, CAT, and GATE exams like a Gen candidate.

Please provide me the reason by which OBC candidates do not get concession in the competition exams of central level or state level because OBC candidates come under reservation

Please provide me information when CAT/GATE authority can make fee just half for SC/SC candidate rather than OBC/Gen candidate, so why IBPS cannot cut its fee from 600 Rupee to 200 Rupee or less for OBC or Gen candidate or separately less for OBC

I want to know the reason by which IBPS fee is 600 for OBC/Gen candidate while SSC charges 100 Rupee only for CGL or LDC because SSC is also conducting online exam this year still SSC fee is just 100 Rupee.

I want to know the reason by which examination fee of CAT, GATE, and RBI is too high while SSC fee is 100 Rupee only.

Original RTI Text : Please provide me information that if fee of all competition exams can be made lower by Government of India or not.

I want to know the reason that fees of GATE and CAT are 1500 and 1700 for OBC/Gen but almost half for SC/SC.

The following is applicable to IIMs:

I want to know the reason by which examination fee of CAT, GATE, and RBI is too high while SSC fee is 100 Rupee only.

This needs to be attended by the CAT Co-ordinating committee.

For 2017 admission, IIM Bangalore is handing on behalf of all the 19 IIMs.

Since this query has been forwarded by MHRD to all the IIMs, you will hear the reply from the concerned IIM.

3. Details of Information

BACKGROUND:

I withdrew my admission from IIM Lucknow and the seat was consequently filled by another candidate and as per HRD and UGC rules, IIM Lucknow must deduct proportionate amount of the fees paid and refund the balance fees which is not the case (they have only refunded an amount of Rs. 13000/- out of the total Rs. 2,26,000/-). Also, IIM Lucknow is a non-profit organization and they have made profits by charging the full fee to 2 candidates for the 1st Semester. I have previously applied RTIs (DOHED/A/2016/60204) in this regard and also complained to CIC (SA/UG/15/18231lf8) each of which is pending and no reply has been received till date. I have also written e-mail to the concerned CPIOs and have never received a reply from them.

In light of the above description, please provide me the following information:

- 1) The rules and regulations for deduction of proportionate fee in the IIMs in India in case of withdrawal of admissions.

RTI Application

Please refer to the Ministry of Human Resource Development, Department of Higher Education letter No. 16-7/2016 (RTI-318)-TS-V dated 31st October 2016, in reply to your RTI Application Registration No. DOHED/R/2016/53620/3 dt. 6.9.2016, marking a copy to us with a request to provide requisite information, which was received by us on 1st November 2016.

Q.No.1: Why there is a difference in tuition fees and semester fees for IITs and other Centre Universities.

Response to Q. No. 1: Not applicable to us

Q. No.2: What is the criteria for deciding the fee structure for an institute? How is it decided and who are responsible for this? Does the criteria allow to have different fee structure for different courses within the same institute?

Response to Q. No. 2:

The fee structure is decided on the basis of the cost structure of the institute, which in turn, is determined by a number of factors like the number of faculty members the institute has, number of visiting faculty members invited from other academic institutes or industry to interact with students, the location of the institute and other institutional expenditure that it has to incur in the form of air fare to the faculty members – both full time and visiting, amount spent on extra-curricular activities of the students, etc. All these expenditure is unavoidable and go a long way in meeting the academic standard and quality of learning for the students. A major chunk of cost structure is also attributed to the maintenance of the infrastructure of the institute. The BoG of the institute decides the fee structure for the courses that the institute offers.

As mentioned in Para 1 above, the fee structure largely depends on the cost structure of the course and hence different courses in the same institute can have different cost structure and hence different fee structure for them.

3. Are the fee equally subsidized for all the educational institute and what is its criteria. If so why discrepancy in fee structure.

Response to Q. No. 3: Beyond the scope of IIM Tiruchirappalli

4. How are the hostel charges calculated and who are responsible for it.

Response to Q. No. 4: We do not collect any hostel charges separately.

5. Some institute collect fees under the name Development Fund. Are they allowed? If so how can a govt. institute collect fees for infrastructure.

Response to Q. No. 5: We do not collect any Development Fund.
