About the Institute

MISSION

To nurture a learning environment for the creation and dissemination of management knowledge of global standards and to develop leaders of enterprises who add value to society and nation building.

VISION

To be a leading management institution with significant impact on business and society.

OBJECTIVES

- Develop competent, professional and value-oriented management graduates.
- Contribute to management knowledge through research.
- Strengthen existing management processes through executive education and consulting.
- Strive to contribute to national/regional policy making.

VALUES

Dignity of the individual

We uphold the dignity of the individual in all our transactions and activities.

Academic freedom with professional responsibility

We believe in academic freedom. Academic freedom means (i) freedom to undertake and publish research, (ii) freedom to design and offer courses, and (iii) freedom of expression in the classroom. We will be guided by the highest standards of academic integrity in exercising our academic freedom.

Fairness

We treat our employees, students and other stakeholders in ways that are just, honest and free from prejudice. We rely on the principles of justice in allocation of resources and distribution of benefits and outcomes to our stakeholders.

Diversity to promote inclusiveness

We support and encourage diversity in age, gender, cultural and academic background. As an academic institution and a thought leader, we also create an atmosphere of mutual respect by accepting and accommodating multiple diverse perspectives.

Spirit of collaboration

We respect and nurture the spirit of collaboration with all stakeholders for achieving academic excellence.

Learning and research environment

We promote a learning and research environment among the faculty and students of IIM Trichy. We strive to contribute to academia and industry by continuously involving ourselves in pioneering research that will contribute to the body of knowledge and shall help industry to improve its processes. We believe that knowledge is endless and one keeps on learning throughout one's life.

Ethical behaviour

We wish to inculcate among all stakeholder's honesty in whatever the person does. Ethical behaviour should be an integral part of one's personality and it should be depicted in whatever a person does in his/her professional or personal life.

Innovation and continuous improvement

We strive for continuous improvement in all our activities to enable a thriving learning environment. We are open to innovation in all our processes.

Sustainability

We are sensitive to our natural environment and resources and promote their efficient and sustainable use.

Director's Message

Dear Recruiter,

Greetings from IIM Tiruchirappalli!

From its institution in 2011, Indian Institute of Management-Tiruchirappalli has been committed to serving the industry and academic world with some of the most well educated and industry- ready professionals. The trust our recruiters render upon us without doubt shows our Students' and faculty's commitment to standing up to the highest order of professionalism in the business world.

It is noteworthy to mention the talent pool of the faculty present at the institute who shape the students in making them some of the best any industry may find. The complex and innovative teaching methods embraced by the institute and its teaching faculty sets the bar high to offering the students with extremely high levels of learning and knowledge gain.

The contribution of the Scholars pursuing Doctorate at our institute is also to be mentioned as they contribute to the betterment of academia by publishing their journals and papers and marking the name of the institute on a global level.

Here at our institute, we not only support the academic betterment and learning of a student, but also facilitate all round development of the student as a scholar as well as an individual by giving them some of the world-class facilities for sports and other activities.

During the Covid- 19 Crisis, when the whole world came to a standstill, the business world was adapting to avoid stagnation and IIM Trichy successfully not only completed the courses to students online but also successfully facilitated various events such as guest lectures and faculty sessions in the digital space successfully. We also thank our recruiters who facilitated the digital transitioning of Summer Internships and Final Placement work commencement. Internships were successfully completed by the students and students placed in various companies for final placements commenced their work digitally, thus contributing to the uninterrupted performance of the various businesses.

Apart from the above mentioned, deemed guest lectures and webinars by renowned personalities from across industries took place digitally and did not allow the pandemic situation to hinder in any way to the betterment of the students' learnings. Also, various Career Development workshops were conducted in order to help the students become ready to face the new-normal in the business world.

We proudly also quote another 100% placement record with the mean CTC offered increasing to INR 14.96 lakhs per annum. Revered Recruiters such as McKinsey, ICICI, JP Morgan Chase, Titan, Fossil, Godrej, HSBC, Deloitte, Saint Gobain, Larsen and Toubro to name a few, have graced our campus for recruiting students in the past academic year. We would like to nurture our past relationships with recruiters and also foster new ones for the upcoming placement season.

With all pride we welcome you to witness our diverse talent within the campus, may it be the students or the faculty.

We are looking forward to hosting you at IIM Trichy.

Warm Regards,

Director

Dear Recruiter,

Greetings from IIM Tiruchirappalli!

This year has been a tough difficult for everyone including IIM Trichy due to the pandemic. However, it is because of the wonderful relationship we have with our stakeholders that we are able to weather this storm and we will continue to do so. I personally want to thank each one of you who have stood beside us in these tough times and made us more resilient. As members of this family, we will be there for each other. Like any other crisis, this too shall pass!

IIM Trichy believes in excellence and this is supported by the combination of a rigorous academic program designed to provide extensive corporate exposure. This has helped in developing successful and responsible business leaders, who are already making their marks in the world. We have become one of the most sought-after business schools for students and recruiters, and a force to reckon with, in a short span of time. The start of a new Academic year and Placement season provides us another opportunity to surge ahead.

Despite the uncertain times because of the pandemic, we have continued to maintain the rigor of the academic program by investing in technology that supports innovative ways of engaging with our students. Thanks to our corporate partners, we could host an eclectic group of business leaders through our guest lecture (webinar) series - **Lakshya**. Our students could get a glimpse of how the industry is tackling the current challenges and develop a holistic view of the industry listening to the seasoned veterans.

The student community in collaboration with their mentors have been engaging with the industry in the form of **live projects**. This pandemic created multiple opportunities for us to work with organizations to apply theories and concepts learnt in classrooms, in the real world helping business adjust to the new normal.

Our intensive academic program along with valuable industry interactions enable us to produce socially responsible and industry ready business

Placement Chairperson's M e s s a g e

professionals. This is best reflected in our Summer and Final Placement reports. We are becoming the recruitment destination of choice for many prestigious corporate houses. At IIM Trichy, we value our association with all our stakeholders. We not only have maintained a healthy relationship with all our previous recruiters but are also growing in strength by forging new relationships every year. The trust and confidence recruiters have shown in us, drives us to challenge the boundaries of professional excellence, in quest for greater heights.

I welcome you to IIM Trichy for **Placement Season 2020-21**. Here, you will find a talent pool of outstanding business professionals with inquisitive minds, ready to take on the challenges of the business world. Safety of the students and the recruiters is of utmost importance to us. Owing to the pandemic situation, we have leveraged technology to provide a seamless, robust and hassle-free online recruitment process for you.

Looking forward to your e-visit to our campus and building a sustainable relationship with you. We as an institution stand by you in overcoming these tough challenges in your growth journey!

Warm Regards,
Prof. Sirish Kumar Gouda

Faculty Research

IIM Trichy meets global standards in pedagogy and research. The quality of IIM Trichy's pedagogy is second to none with all our faculty holding PhD/Fellow qualification from institutions in India and abroad that are reputed all over the world. We currently have 32 full time faculty members and visiting faculty from the industry and other management institutes in the roster. Our faculty is actively involved not just in academics, but also in research, governance and consultancy. The research done by the faculty has been published in eminent international and national journals. We have been represented at the prestigious Academy of Management (AoM) annual conference in the USA by more than one faculty member every year since our inception. The results and insights of this research are directly imparted to the students. This ensures that the curriculum is constantly enhanced and augmented by the faculty. IIM Trichy's qualified, experienced faculty are key members in nurturing a learning environment and in creating future business leaders.

List of other Programmes

Fellow Programme in Management (FPM)

FPM is the full-time, residential doctoral programme of IIM Tiruchirappalli. The programme aims to provide rigorous, worldclass, interdisciplinary training in all areas of business management that will equip students with the ability to conduct cutting edge research. Doctoral students specialize in several disciplines(areas) of management.

Post Graduate Programme in Business Management (PGPBM)

PGPBM is a 24 months programme for working executives offered at IIM Trichy's Chennai centre. Launched in 2012, the Post Graduate Programme in Business Management (PGPBM) caters to the working executives who aspire to equip themselves with formal management education and move into senior leadership roles. Executives with at least three years of full-time work experience are eligible to apply for the programme. The programme is completely aligned with the two-year programme offered at our Trichy campus in terms of pedagogy.

Executive Education and Consultancy (EEC)

Under Executive Education & Consulting (EEC), IIMT has offered various Customized as well as Open Management Development Programmes to various Ministries of HRD (TEQIP), Civil Aviation (Airport Authority of India), Communication (India Post), Shipping (India Port Trust) & Skill Development (ITIs), various PSUs such as Hindustan Petroleum Corporation Limited, Chennai Petroleum Corporation Limited, , Gas Authority of India Limited (GAIL) & NLC India Limited and various Organizations like L&T, Toyota Industries Engine India Pvt. Ltd, Dalmia Cements Limited, Rane Holdings Limited, VDart Private Limited, Novo Nordisk Service Centre India Private Ltd., Datamatics Global Services Ltd, Roca Bathroom Products Private Limited & Kirloskar Institute. IIMT is facilitating a long-duration programme for officers of Hindustan Petroleum Corporation Limited on General Management. IIMT is also going to launch online programmes both studio to classroom and Direct to Device model soon. IIMT is also in the process of launching Degree programmes for Armed Forces Officers and for Corporate Executives. Apart from regular academic programmes and Executive Education programmes, IIMT also provides consulting services to corporations and other organizations in different areas of management.

Centre for Corporate Governance and Social Responsibility (CCG & SR)

IIM Trichy launched the Centre for Corporate Governance on the 13th of June, 2014. The main objective of the centre is conducting and promoting research in the area of corporate governance. The centre plans to carry out various research activities including organizing an annual conference, initiating and coordinating research projects, and arranging research seminars and workshops. In the long term, the CCG aims to conduct capacity building activities in the area of corporate governance policy through advocacy and intervention. Through this centre, IIM Trichy aims to spread awareness about good corporate governance practices

CARDS

Center for Applied Research in Data Science (CARDS) is one of the centers of excellence at IIM Trichy. CARDS was inaugurated on 21 August 2019 and is offering training and certificate programs in various domains of data science for executives across public and private sectors. In addition, this center undertakes projects on emerging technologies namely Blockchain, Artificial Intelligence, Internet of Things among others for national/regional policymaking. In long term, CARDS aims to become a leading research center to transform data into intelligence. Through CARDS, IIM Trichy is working towards bridging the gap between industry and academia.

Campus & Facilities

The permanent campus of IIM Trichy was inaugurated on 3rd April, 2017 by Shri Prakash Javadekar, Minister Human Resource Development, Government of India. Each classroom has two separate projectors to display study materials effectively and encourage discussion and peer learning. Classroom capacities range from 25-250. The Academic Blockhouses have classrooms of varying capacities: 25-seater, 50-seater and 80-seater, along with 120-seater and 250-seater capacity to cater to large audiences. The campus also provides 24X7 power supply and Wi-Fi facilities. Hostel rooms are air-conditioned during non-academic hours. The permanent campus is also differently-abled friendly. There are special provisions like Braille signage, earmarked toilets, designated parking spots and, auditory signals and Braille symbols in elevators. There are also ramps and pathways built to facilitate ease of movement. The campus is designed to be self-sustainable as well as water and energy-efficient. Solar Power is harnessed up to 2 MW to address the electricity needs of the campus. A rainwater harvesting facility has been built to make the campus self-sufficient in water.

Learning Resource Centre (LRC)

The Learning Resource Centre is a source of information and knowledge for the students and faculty of IIM Trichy. The LRC has access to a wide variety of research resources, both on and off-campus. It subscribes to a number of company, industry, country databases and scholarly articles. Statistical tools and Simulation Software make advanced and detailed research possible. LRC subscribes to Caplitaline, Insight, Euromonitor, Thomson Reuters Eikon, Prowess, Crisil, and IndiaStat, among others, for data on companies and industries. The Statistical tools available are IBM SPSS, IBM SPSS Modeler, STATA and the Decision Tools Suite. Simulation Tools like NVivo 10, Lingo and EViews are also available.

International Relations

In the current era of globalization, student exchange serves as a catalyst to provide international exposure to our students. This not only helps them experience a completely different learning environment but also provides them with an opportunity to interact with students from various nationalities as well as work with them on academic matters. Student exchange provides an opportunity to learn in an international environment and also facilitates networking at an international level.

Testimonials

Loic Foucher,
IAE Aix-Marseille Graduate
School of Management, France,
2019 (Inbound Student)

Inbound Student Exchange Programme (Loic Foucher):

“I did my semester abroad at IIM Trichy from September to December 2019. I did not really know what to expect when I travelled to India, but I must say I was pleasantly surprised. I was warmly welcomed by everyone, and as I was the only exchange student, everybody offered their help to ensure my good integration. I met a lot of nice people, and even made some very good friends, with whom I made amazing trips through the South of India.

Regarding the courses, I personally think that IIM Trichy has a good quality of teaching, with very competent and accessible teachers. Each one of them has taken the time to meet me on a regular basis, and I felt free to ask my questions.

About the lifestyle, even though the campus is very modern, it is a big change for someone coming from Europe. That totally met my expectations, as I came here to experience something different from what I knew. I discovered a new culture, visited incredible temples, and had the chance to participate in all the celebrations. I think that spending a semester abroad is a unique opportunity to be immersed in the culture of a new country, and this is why I am glad to have chosen India, a country so different from France. Moreover, the life in Trichy is very cheap, which allows you to keep some money for traveling.

So, if you are not afraid of spicy food and to get out of your comfort zone, do not hesitate to go to IIM Trichy!”

Testimonials

Shamna Adoor,
Outbound Student 2019

Outbound Student Exchange Programme (Shamna Adoor):

“The exchange semester isn’t an experience that can easily be put into words. Studying in a university with professors and students from all over the world was extremely enriching. Apart from my poor attempts at trying to pick up a bit of French, the local cuisines, the stunning scenery, the fellow exchange students, and the locals I met in various places made my exchange semester very memorable. The best two experiences for me personally were skydiving, and a visit to the Anne Frank House - both gave me goosebumps but for very different reasons.

I’d like to thank IIM Trichy and the International Relations team for this once-in-a-lifetime opportunity which will forever be etched in my heart.”

YDP - Youth Delegation Programme (Swetha Vadlamudi)

“The International Youth Delegation Programme (IYD) is a once-in-a-lifetime opportunity and a special memory I cherish. I’m privileged and honoured to have represented India and IIM Trichy at an International forum in Russia. It was a networking experience of a different dimension that helped broaden my horizons. I’ve connected with young delegates with proven excellence in various fields from both the countries. I had a chance to closely interact with and present my thoughts to the officials from the Ministry of Youth Affairs and Sports, Indian Embassy in Moscow and the Russian Federation. Fortunately, the minister, Kiran Rijju himself led our Delegation. The focus being primarily on cultural exchange, the discussions included socio-cultural, diplomatic and economic relations between India and Russia. I had exposure to the intricate details of the rich heritage and culture of Russia. Overall, it was a world-class experience.”

Swetha Vadlamudi,
Indian Delegation to
Russia, 2019

Vatsal Doshi,
Indian Delegation to
Brazil (5th BRICS Youth
Summit 2019)

BRICS Youth Summit 2019 (Vatsal Doshi)

“Getting an opportunity to represent the Government of India in the 5th BRICS Youth Summit, Brazil was nothing short of a dream. It offered me an opportunity to voice concerns on global issues from India’s end. I shared the stage with professionals, scholars, artists and athletes from BRICS partner nations to particularly discuss the ‘Social Ascension of youth through Entrepreneurship and job creation’. Our unanimous agreement to recommend the BRICS summit to enter visa-free travel between India-Brazil was approved by the committee and now is in effect! The experience was enlightening and delightful. The best part of the summit trip was when we went on local tours to enjoy the beauty of Brazil and connect with other delegates!”

Student Exchange

IIM Trichy actively encourages student exchanges, where select students from the Post Graduate Programme in Management spend one term in a reputed business school abroad and students from those schools attend a term at IIM Trichy. The students actively gain knowledge of another country and enhance their understanding of international business and sociocultural diversity. The international collaboration platform also provides opportunities for faculty exchange and joint research between IIM Trichy and universities abroad.

International Week

International week is held every December in IIM Trichy campus. Faculty members from various foreign institutions offer courses with one credit point each that can be opted by the students based on certain prerequisites for the course. IIM Trichy invites students from all over the country to take part in its International Week. Some of the professors who were associated with the International Week 2019-20 is provided in the table below.

Sl. No.	Name Of The Professor	University
1	Professor S Shaktivel	Bowling Green State University, USA
2	Professor Sudhir Kale	Bond University, Australia
3	Professor Manoj Kookkal	Western Sydney University, Australia
4	Professor Sree Nilakanta	Iowa State University, USA
5	Professor Rajiv Kohli	William & Mary, USA
6	Professor Kamlesh Mehta	National University, USA
7	Professor T K Jayaraman	Universiti Tunku Abdul Rahman, Malaysia
8	Professor Anil Mishra	Western Sydney University, Australia
9	Professor Amulya Gurtu	University of Wisconsin, USA
10	Professor Amit Sarkar	Ara Institute of Canterbury, New Zealand
11	Professor Ramachandran (Nat) Natarajan	Tennessee Tech University, USA
12	Professor Gopalakrishnan Narayanamurthy	University of Liverpool, UK
13	Professor Sangita De	Griffith University, Australia
14	Professor Naresh Khatri	University of Missouri, USA

Faculty Exchange Programme

As a part of the Faculty Exchange Programme, faculty members from IIM Trichy offer a short course of one credit point in foreign institutions. Dr. Nithyananda K V has been visiting IAE Aix Marseille Graduate School of Management, Aix-en-Provence, France for the last 7 years to teach the course "Strategic Management of Intellectual Property Rights". He has also taught a course "Doing Business In India" at ESSCA Business School, Angers, France once.

Study In India Initiative

Study in India is an initiative launched by the Government of India aimed at associating quality public and private institutions, with an objective of attracting overseas students interested in studying in India. The aspiration is to make India an education hub for students globally. This is being facilitated through a portal maintained by EdCIL (India) Ltd, under the guidance of Ministry of Human Resource Development (MHRD), Ministry of Economic Affairs (MEA), and Ministry of Commerce (MOC). IIM Trichy is part of this initiative. Under this initiative, students interested in studying at IIM Trichy could register on the portal "StudyinIndia.gov.in", could take part in the common admission process, face the interviews, and once they have cleared both these rounds, could join IIM Trichy as regular students.

Institute and Student Activities

IIM Trichy is a vibrant, dynamic place that is always buzzing with activity. Various clubs and committees conduct social drives, guest lectures, workshops, events and competitions. IIM Trichy also has an all year calendar of sports events and activities.

Foundation Day:

IIM Trichy celebrated its 9th Foundation Day on the 4th January, 2020. The Foundation Day marks the inception of IIM Trichy as the 11th Indian Institute of Management. The event was graced with the presence of Shri T. R. Parasuraman, Dy. Managing Director, Toyota Industries Engine India Pvt. Ltd., Guest of Honour, Shri R. Vikraman, Director – HR, NLC India Ltd. and Dr. Bhimaraya Metri, Director, IIM Trichy.

PGPM, PGP-HRM & FPM Inauguration:

IIM Tiruchirappalli inaugurated its tenth batch of Post Graduate Programme in Management (PGPM), eighth batch of Fellow Programme in Management (FPM), and the first batch of Post Graduate Program in Management – Human Resources (PGPM-HR) in an online ceremony held on 12th August 2020. The occasion was graced by the Chief Guests Ms. Gauthami Tadimalla, Founder-Life Again Foundation and Shri Pushp Joshi, Director – Human Resources, HPCL. The guests and students attended the inauguration ceremony virtually.

Dhruva:

Dhruva 4.0, IIM Trichy's flagship business cultural festival spanning three days consisted of a series of guest lectures, cultural events and business competitions. Entertainment was plenty with DJ nights.

Sanskriti:

Sanskriti is the intra-college cultural fest at IIM Trichy where the sections battle it out on the stage for the prestigious Sanskriti trophy in November 2019. All the sections gave their best and the sections had to fight till the end for the glory. In the end Section C were declared the winners for Sanskriti 8.0.

Make a Difference (MAD):

IIM Trichy's vision is to produce socially responsible corporate managers and leaders who use their skills to contribute to the immediate community of which they and their organizations are a part of. 'Make a Difference' (MAD) project which is a mandatory part of the Post Graduate Program is conceived in this context, as a part of which all the students of PGPM work in teams on issues of social importance like education, health skill development etc.

Sangram:

Sangram, the battle between the IIMs of South, IIM Bangalore, IIM Vizag, IIM Trichy and IIM Kozhikode was hosted at the IIM Kozhikode campus. It is one of the competitions that all look forward to and involves 25 sports. This year saw Trichy's best performance so far bagging 5 gold, 6 silver and 9 bronze medals. IIM Trichy also topped the medal tally with 20 medals.

ITCL & ITFL:

ITCL - IIM Trichy Cricket League, previously known as Beryl Cricket League is hosted by the Sports Committee. The rules are simple - 6 franchises, star players' bidding, players' bidding and the ultimate battle to emerge as the winners and earn the bragging rights. This year the ITFL tournament, spanned over 8 days, brought together all the football enthusiasts through some exhilarating and exciting matches with the required amount of passion and aggression from the players which made the football matches worth watching.

Kurukshetra:

The Sections' War, was organized as the third sports event of the year with more and more exciting events. It saw huge participation and enthusiasm from the entire 2019-2021 batch for Cricket, Basketball, Badminton, Pool, Football, Futsal, Swimming, Table Tennis and Throw-ball. The tournament

was a huge success as it brought students together and out on the field to play and support their respective teams. It provided a platform for many players to showcase their talent and contribute to their respective sections.

Women in Data Science:

IIM Trichy hosted Ms. Pramad Jandhyala, Co-founder & Director of LatentView; Ms. Nalini Guhesh, Managing Director of Network Analytics team at OgilvyOne; Ms. Barkha Sharma - CEO of BASH.AI; Ms. Kalpana Subbaramappa - Programme Manager at MINRO Center, IIIT Bangalore; and Dr. P Sridevi - Head of the Department of Management Studies, NIT Trichy for the Women in Data Science (WiDS) Regional Event in Trichy as part of Dhruva 2020 on 24th January. Ms. Pramad Jandhyala, in her keynote address, elaborated how in present times infrastructure has become commoditized and AI has become commonplace. Ms. Barkha Sharma in her talk described the journey of AI so far and introduced the audience

to future trends in the field of Data Science. The highly accomplished leaders also took part in a panel discussion where they discussed how businesses are integrating Big Data and Analytics in their daily operations, how data generated

can be utilized to personalize the experience of customers and how while using data businesses should never lose sight of the human aspect associated with data.

TEDx:

IIM Trichy organized TEDx IIMTrichy in January 2020. It was based on the theme "Colouring Beyond the Lines". A plethora of speakers from diverse fields shared their unique experiences. The insights left the audience inspired and helped them look at things in an unconventional manner.

City Chapters :

Alumni Committee of IIM Trichy launched the City Chapters to engage the alumni working in a particular city continuing the legacy of IIM Trichy fraternity and bring them closer to the alma mater. The inaugural City Chapters in Chennai and Bangalore were organised on 25th August 2019 and 16th November 2019, respectively. The events were huge success owing to a whopping participation of alumni from across the batches of PGPM, PGPBM and EEC. The committee plans are to extend these chapters to other cities like Mumbai, Hyderabad, and Delhi.

YUVA Young Indians (Upcoming):

IIMTrichy has signed an MoU with Young Indians (Yi). Yuva is one of the most active focus areas within Young Indians by which Yi members engage students from across the country in various initiatives that the students conceptualize, plan and execute. The objective is to create a bridge, a platform for the students to work in cross functional teams with abroad objective of enhancing their leadership skills and giving back to the nation.

INDAM 2020

Indian Institute of Management Tiruchirappalli hosted the Sixth Conference of the Indian Academy of Management (INDAM 2020) from 2-4 January, 2020. The theme to the event in 2020 was "Architecting Indian Management Scholarship In The Era Of Disruption". The management landscape around the world is witnessing a complete transformation in view of the increasing adoption of artificial intelligence, machine learning, internet of things, industry 4.0, robotic process automation, fintech, blockchain, analytics and so forth. These recent developments are making several existing management theories and frameworks relatively less relevant to explain, understand and predict the real-world practices. In tune with this, there is a need for an architectural management scholarship as well. With this context in mind, the Sixth Biennial Conference of the Indian Academy of Management had set an objective of liberating the management thought process and architecting management scholarship in this era of disruption. The

conference was hosted by the Indian Institute of Management Tiruchirappalli in association with the Indian Academy of Management. INDAM 2020 had 20 broad research tracks for paper submissions with each track being chaired by eminent

personalities from industry and academia. Several other events were also planned in association with the conference. A workshop on Paper development was conducted by Prof. Peter Bamberger, Editor-in-Chief, Academy of Management Discoveries (AMD) and his team. Prof. Jason Shaw (Editor-in-Chief, Academy of Management Journal), Prof. Pawan Budhwar (Co-Editor-in-Chief, British Journal of Management) and Prof. Mohan Thite (Editor-in-Chief, SAJHRM) who led a panel discussion on 'High Quality Publishing'.

The conference had a paper development workshop by renowned Prof. Peter Bamberger who is the Editor-in-chief of Academy of Management Discoveries and also hosted panel discussion on "Future Roles of B-Schools and Management Education in India" with participation from eminent panellists including Prof.

Anju Seth (Director IIM Calcutta), Prof. K Ramachandran (NUEPA), Prof. Dheeraj Sharma (Director IIM Rohtak), Prof. L S Murty Media Relations Office Page 2 of 2 (Director, IIM Nagpur), Prof. Mahadeo Jaiswal (Director IIM Sambalpur), Dr. Bhimaraya Metri (Director IIM Trichy) and Mr. Richard Rekhy (Ex-CEO KPMG). The conference saw distinguished keynote addresses by eminent scholars such as Prof. Farok Contractor, Debanjan Mitra and Prof. T V Rao. It had various panel discussions on topics such as 'High Quality Publishing', 'Industry-Academia Interaction in the Era of disruption', 'Policy, Populism, and Global Value Chains', Executive Education and Indian Wisdom and 'Global outlook of Indian Industries @75'. The conference also provided a platform for multiple workshops on diverse topics such as Social Network Analysis, Structural Equation Modelling, Manuscript Preparation, Bibliometric Analysis and a special workshop on Creativity and Human Mind by Cine Actor Ashish Vidhyarthi on 4th Jan 2020. IIM Trichy also conducted a Junior Faculty Consortium which had 98 parallel paper presentations on 21 Research Tracks led by 42 Track Chairs who are established scholars from around the world.

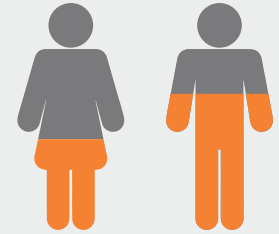

IIM Trichy during the time also hosted an exhibition by rural artisans of Tiruchirappalli-KalaiKaatchi in collaboration with Elixir - The Social Responsibility Club of IIM Trichy and a mesmerising cultural evening with performance from Bharatalaya.
