

Admission Policy for Overseas Candidates: PGPM 2019-21

Definition of “Overseas Candidates”

Indian and foreign nationals living, working or studying outside India during the period January 1, 2018 to February 15, 2019 will be considered as ‘Overseas Candidates’ for admission to IIM Tiruchirappalli for the 2019-21 batch. However, an overseas candidate who is expected to be in India during CAT 2018 scheduled on November 25, 2018 will not be eligible to apply under overseas category. Candidates residing in neighboring countries like Nepal from where there are no entry restrictions to India will also not be considered as ‘Overseas Candidates’.

Eligibility

In order to be eligible to apply for the Post Graduate Programme in Management (PGPM), a candidate must have a Bachelor’s degree with at least 50% marks or equivalent CGPA, awarded by any of the Universities incorporated by an act of the central or state legislature in India or other educational institutions established by an act of Parliament or declared to be deemed as a University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India. For foreign degrees, the equivalence of the degree needs to be certified by the Association of Indian Universities. The percentage of marks obtained by the candidate in the bachelor’s degree would be calculated based on the practice followed by the university/institution from which the candidate has obtained the degree. In case the candidates are awarded grades/CGPA instead of marks, the conversion of grades/CGPA to percentage of marks would be based on the procedure certified by the university/institution from where they have obtained the bachelor’s degree. In case the university/ institution does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing the candidate’s CGPA by the maximum possible CGPA and multiplying the result with 100.

Candidates appearing for the final year of bachelor’s degree/equivalent qualification examination and those who have completed degree requirements and are awaiting results can also apply. If selected, such candidates will be allowed to join the programme provisionally, only if they submit a certificate at the time of joining from the Principal / Registrar of their College/Institute stating that the candidate has completed all the requirements for obtaining the bachelor’s degree/equivalent qualification as on the date of the issue of the certificate.

A candidate who has not received his/her graduation results at the time of registration will have to produce certificates and mark sheets in original together with photocopies as soon as the respective University/Institute publishes the results, but NOT LATER THAN DECEMBER 31, 2019, failing which his/her registration as a student of IIM Trichy will be automatically cancelled and he/she will be required to withdraw from the PGPM forthwith. Any candidate who submits University Mark sheets which do not clearly indicate that he/she has passed the Bachelor’s Degree course or

equivalent, and also submits Provisional Certificate from an affiliated College/Institute would, in addition, be required to produce an authorization certificate from the University stating that such an affiliated College/Institute is authorized/empowered to issue such a certificate on behalf of the University.
