507 get degrees at IIM Tiruchy's convocation

EXPRESS NEWS SERVICE @ Tiruchy

A total of 507 students graduated across programmes, including 407 from the flagship Post Graduate Programme in Management (PGPM), 50 each from the PGPM in Human Resources and the Post Graduate programme in Business Management, along with three doctoral scholars were awarded PhDs at the 14th convocation of Indian Institute of Management Tiruchy on Saturday. Director (in-charge) Godwin Tennyson said.

Vijay Sankar, Senior Vice

President of FICCI, stressed in his address that success is not defined by initial advantages but by how individuals respond to challenges.

Jalaj Dani, Chairman of the Board of Governors reflected in his address on leadership in an increasingly uncertain world.

The institute also reported placement outcomes, with 367 offers made by 274 companies for the PGPM batch, reflecting sustained recruiter confidence across sectors such as finance, consulting, FMCG, and information technology.

507 students graduate from IIM Trichy

TIMES NEWS NETWORK

Trichy: Indian Institute of Management, Trichy, organized its 14th Convocation Day on Saturday, with Vijay Sankar, chairman of the The Sankar Group, attending as the chief guest.

A total of 507 students graduated across programmes, including 407 from the PG programme in management (PGPM), 50 from PGPM-HR and 50 from the PG programme in business management (PGPBM). Three scholars from the doctoral programme received their degrees.

The ceremony was presided over by Jalaj Dani, chairman of the board of governors, in the presence of director (in-charge) Godwin Tenny-

NEW BEGINNING: Placements remained robust, with 274 companies participating and making 367 offers to PGPM students

son.

Presenting the annual report, Tennyson highlighted academic and research progress, including 56 publications in peer-reviewed journals and organisation of 17 research seminars. He noted strong industry engagement, with 66 experts contributing

to the curriculum and more than 1,400 professionals trained through executive education programmes. Placements remained robust, with 274 companies participating and making 367 offers to PGPM students. Key sectors included banking and finance, IT and analytics, consulting, FMCG

and manufacturing, he added.

In his address, Dani emphasised clarity in decision-making amid uncertainty, while Sankar highlighted resilience, persistence and social responsibility as key to long-term success. The institute also strengthened its global presence through collaborations with 16 international universities and retained the 16th rank in the NIRF 2025 management category, a release said.

Students also recorded achievements in sports and other competitions, including the third-place finish at the inter-IIM sports meet hosted by Indian Institute of Management Bangalore and joint national winners at the CFA Institute Research Challenge.
