The Indian Institute of Management - Tiruchi (IIM-T) has added six new classrooms and a hostel with a capacity to house 330 persons as part of its infrastructure expansion this year, its Director Pawan Kumar Singh said on Friday.

Mr. Singh told presspersons here that the evolving requirements of the institution since it began operating from its own premises in 2017 had led to the addition and upgrade of facilities in a phased manner.

This year's placement process is expected to conclude in April.
