TIRUCHI

The summer and final placement drive at Indian Institute of Management-Tiruchi (IIM-T) received good response this year.

According to an official press release, over 150 companies offered 290 positions to Post Graduate Programme in Management (PGPM) students and 30 to PGPM-Human Resources candidates during summer placement.

This year's drive recorded a 53% increase in the highest stipend offered in the manufacturing, pharma, hospitality, and logis-

tics (MPHL) sector. Highest stipends reached ₹3.5 lakh for PGPM and ₹2 lakh for PGPM-HR students in the summer placements.

Persons with disability secured coveted positions in esteemed companies through a collaborative initiative with Atypical Advantage during the summer recruitments.

In the final placement drive, there was a notable 150% increase in engagement from MPHL companies, and a 23% rise in pre-placement offers. The highest Cost to Company (salary package) offered was ₹43.94 lakh for PGPM, and ₹33.12 lakh for PGPM-

HR students.

Prominent recruiters from the sectors of Information Technology and analytics, operations, sales, and marketing, consulting, strategy and media, and finance participated in the placement drive.

"This placement season spotlighted our students' remarkable determination and outstanding performance. The institute remains steadfast in its commitment to nurturing future leaders and fostering symbiotic relationships with the global business fraternity," said IIM-T director Pawan Kumar Singh.
