

IIM Tiruchirappalli receives its first MBA accreditation from AMBA, confirming itself in the top 2% of Business Schools globally

IIM Tiruchirappalli (known as IIM Trichy), India, has officially received its first MBA accreditation from [the Association of MBAs \(AMBA\)](#), the world's leading authority on post-graduate management education, demonstrating its commitment to excellence in business education.

Upon receiving AMBA accreditation, all current MBA students and recent MBA alumni of IIM Trichy are invited to join in AMBA's global member community of more than 60,000 students and alumni in more than 150 countries on a free basis, for networking, thought leadership, career development, and a variety of benefits.

Accreditation from the Association of MBAs (AMBA) represents the highest standard of achievement in post-graduate business education. Its rigorous assessment criteria ensure that only the highest-calibre programmes which demonstrate the best standards in teaching, curriculum, and student interaction achieve Association of MBAs accreditation.

The Indian Institute of Management Tiruchirappalli is an autonomous public business school located in Tiruchirappalli, Tamil Nadu in India. The eleventh IIM, it was instituted on 4 January 2011.

The mission statement of the School is "to nurture a learning environment for the creation and dissemination of management knowledge of global standards and to develop leaders of enterprises who add value to society and nation building."

Members of AMBA's accreditation panel commended the School's exemplary commitment to sustainable development.

The panel also noted that the School benefits from high quality and articulate students and alumni, who are testament to the learning experience offered.

Finally, the panel observed the collegiate environment at the School, which provides opportunities for all staff to contribute to the School's growth and to programme development.

Quote from Dr. Pawan Kumar Singh - Director, IIM Tiruchirappalli:

The Association of MBAs (AMBA) accreditation to IIM Tiruchirappalli is a matter of pride for the entire family of the Institute. The Beauty of AMBA accreditation is that it not only emphasizes on a destination but duly underlines the continuous rejuvenation process in the system. The committed

AMBA team deserves a special thanks because they took trouble to visit to us though the COVID restrictions were still heavy with respect to international travel. This prestigious accreditation would pave way for the Institute to achieve a higher standard of academic excellence.

AMBA accreditation is international in scope and reach, and AMBA works under the belief that accredited programmes should be of the highest standard and reflect changing trends and innovation in post-graduate management education. Its accreditation process reflects this commitment to fostering innovation, and demanding Business Schools to perform at the highest level continually.

Andrew Main Wilson, Chief Executive of the Association of MBAs and Business Graduates Association (BGA) said: 'I would like to congratulate everyone at IIM Trichy who worked towards this accreditation. AMBA is truly delighted and honoured to be the first to offer MBA accreditation to the School and to add it to our network of the top 2% of Business Schools globally.'

About AMBA & BGA

Spearheading excellence and trailblazing innovation, for more than 50 years the Association of MBAs (AMBA) has been the impartial authority on post-graduate management education. AMBA established that vision in 1967 and, in a volatile, uncertain world, it's as relevant today as it was then. We are committed to raising the profile and quality standards of business education internationally, for the benefit of Business Schools, students and alumni, employers, communities and society.

- Our accreditation service is the global standard for all MBA, DBA and master's degrees, currently accrediting programmes from the top 2% of Business Schools in more than 75 countries.
- Our Research and Insight Centre produces a rich body of reports exploring global trends in the business education sector. This drives our global thought leadership and public affairs campaigns.
- We are the only professional membership association that connects MBA students and graduates, accredited Business Schools and MBA employers throughout the world.
- Through our members, AMBA is building an international force for good, championing best practice, responsible management and sustainability. Membership to AMBA means being part of an international community of peers with access to business strategy thought leadership, career advice and knowledge, and an MBA jobs portal.
- Our multi-award-winning events offer networking opportunities online and in person across all continents in association with international corporate partners and thought leaders exclusively for our members and accredited Business Schools.

The Business Graduates Association (BGA) is an international membership and accreditation body of world-leading and high-potential Business Schools that share a commitment for responsible management practices and lifelong learning, and that are looking to provide a positive impact on their students, communities and the economy as a whole. We offer:

- Quality assurance services to Business Schools and similar institutions, aimed at continuous improvement and positive impact to increase a Business School's credibility and influence.
- Consultation and mentorship services to Business Schools to improve their marketing and admissions, programme design, alumni interaction, teaching methods, and career development services.
- Award-winning international events for Business School professionals, focused on continuous learning.
- Student and graduate membership, which includes social networking events worldwide, professional development tools, a Career Development Centre, and much more.
- Leading and award-winning content on responsible management, professional and personal growth, and influence via the Business Impact content hub.
