IIM Tiruchirappalli inaugurated the first batch of the Post Graduate Certificate Programme in Financial Management

Indian Institute of Management Tiruchirappalli inaugurated the first batch of the Post Graduate Certificate Programme in Financial Management on 5th February 2023. This one year program equips the professionals with an understanding of the concepts, applications and practices of Financial Accounting and Financial Management to enhance their financial acumen.

The event was graced with the presence of Dr. Sanjay Salunkhe, Chairman and MD, Jaro Education, Prof. Saravanan P, Dean (Corporate Relations & Faculty Affairs) and Prof. V Gopal, Programme Director. The dignitaries inaugurated the event with an invocation song and the lightening of the lamp.

Prof. Saravanan welcomed the incoming batch. He started by outlining the programme's goals and how it will aid the participants in enriching the students with various concepts of finance such as accounting, Mergers and Accusations, financial management, etc. He motivated the students to engage in peer learning and to absorb knowledge from the abundant rich experience of their peers, the faculty, and the curriculum.

He thanked the technology partner Jaro Education for their support and for facilitating the execution of several programmes seamlessly. He discussed about various programmes offered by the executive education and consulting (EEC) office of IIM Tiruchirappalli such as faculty development programmes, business management certificate course for defence officers, etc.

In his address, Dr. Sanjay Salunkhe, Chairman and MD Jaro Education, congratulated the participants for getting selected for the programme. He stressed on the importance of perpetual learning and mentioned that learning should never stop as everyone needs to upskill themselves throughout to keep pace with the fast paced world and applauded their dedication to study on weekends even while working. He then emphasized on the need to be a master of one area and jack of all others in order to facilitate interdisciplinary learning as well as to be prepared to attain top level positions in the future. He also highlighted the importance of staying updated with the current trends and motivated the students to put their ideas into action and have the vision to accomplish something.

The ceremony concluded with the Vote of Thanks by Prof.V Gopal, Programme Director, followed by the national anthem.
