

Delegates from Tamil Nadu returned today (15/12/2023) from Rajasthan as part of the Yuva Sangam Phase-III initiative.

IIM Tiruchirappalli serves as the Nodal Institution for Tamil Nadu in the Yuva Sangam program, a pioneering initiative under the Ek Bharat Shreshtha Bharat program by the Government of India. As part of this collaboration, IIM Tiruchirappalli is paired with IIIT Kota.

Delegates from Tamil Nadu landed at IIT Kota and explored on the multi-dimensional experiences of various aspects of life and strengthening the connections of Indian youth. The youth had a multi-dimensional exposure under five broad areas – Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Paraspar Sampark (People-to-people connect), Prodyogik (Technology).

Delegates from Tamil Nadu embarked on an enriching journey to explore the historic Chittorgarh Fort, the iconic Vijay Stambh, Army Regiment Kota, Local Shopping at the Chambal riverfront in Kota. The visit was complemented by a series of engaging activities meticulously organized by IIIT Kota, including singing sessions, games, and various other enjoyable experiences.

Having immersed themselves in the cultural and historical richness of the region, the Tamil Nadu delegates returned home, with cherishing memories of their visit and the diverse range of activities that added a vibrant dimension to their travel experience.

This concluding chapter in their collective journey epitomizes the essential spirit of unity and connection that the program earnestly seeks to cultivate among the youth of India.
