

## IIM Trichy Team Bags 1<sup>st</sup> Position in L&T's Case Competition

IIM Trichy won the First prize at Larsen & Toubro's prestigious Case Study Competition L&T OutThink held on 10th November, 2017.

The team from IIM Trichy, comprising of Abirbhav Mukherjee, Anupam Raj, Shivansh Namdeo, was adjudged unanimously as the winner of the Final Round. The other finalists included teams from IIM-Bangalore, IIM-Ahmedabad, FMS-Delhi, IIM-Kozhikode, NITIE-Mumbai, IIM-Rohtak and IIM-Jammu.

This year, the theme of L&T OutThink revolved around the EPC (Engineering, Procurement and Constructive) Business vertical of Hydrocarbon sector. A total of 3160 students from 27 business schools participated in the first round, of which 30 teams got shortlisted. From Round 2, only eight teams made it to the finals which saw an intense battle among the top B-schools of India. The students of IIM Trichy competed with their outstanding case analysis and presentation, ultimately emerging as the winners of the L&T OutThink. Mr. M V N Rao, Group Head HR at L&T Hydrocarbon Engineering Ltd and Mr. V T C S Rao, Dean of L&T Institute of Project Management were the members of the Final Jury.

Dr. Bhimaraya Metri, Director, IIM Trichy congratulated the students for winning the competition.

IIM Trichy's winning team was awarded a cash prize of Rs. 1 lakh.

(Left to Right) Anupam Raj, Abirbhav Mukherjee, Shivansh Namdeo and Mr. J D Patil, Whole-time Director, and Senior Executive Vice President for L&T's Defence Business.
