IIMT all set to Conduct Maiden HR Conclave

IIM Tiruchirappalli (IIMT) will be organising its maiden **HR conclave** on **Friday, September 20, 2013** at **The Hilton, Chennai**. Needless to say, the event has stirred a lot of excitement and expectation among corporate houses and management students across South India. The objective of the conclave is to offer a forum for the industry and academia to come together and share the latest knowledge and practices in the field of HRM. This forum would enable the practising managers as well as the faculty members and the students of HRM to interact with the senior managers from the leading professional companies. The event will feature debates and discussions by senior management of human resources of prominent companies from the industry.

IIMT was started in 2011 as the 11th IIM by the Ministry of Human Resource Development. The institute's flagship **Post Graduate Programme in Management (PGPM)** program has commenced its third year of operations. Being one of the newest IIMs, it has already achieved a number of landmarks in its short existence so far. These include the initiation of the **Fellow Programme in Management (FPM)** program and the setting up of a satellite campus in Chennai to conduct a part-time **Post Graduate Programme in Business Management (PGPBM)** for Working Executives. In addition, IIMT also offers **Management Development Programmes (MDP)** to cater to the growing need of the industry.

The HR conclave is another feather in the institution's cap.
