PRESS RELEASE

18 February 2019, Sunday

IIM Trichy charts future plans for its Chennai based PGPBM programme

IIM Trichy conducted Batch Interaction 2019 for its Chennai based Post Graduate Programme in Business Management (PGPBM) for working executives on February 17, 2019, at Hotel Le Royal Meridien, Guindy, Chennai.

IIM Tiruchirappalli launched the PGPBM programme in 2012 to groom working executives who aspire to move into senior leadership roles. Towards this, the rigorous programme aims to develop competent professional managers, capable of working in any sector of organized activity, provide leadership and achieve excellence even as they contribute to the welfare of society at large. The classes are held during the weekend in IIM Trichy's Chennai Campus.

The interaction session aimed at celebrating the success of the past and current batches, congratulating the outgoing batch and charting its future plans. The interaction was presided over by Dr. Bhimaraya Metri, Director, IIM Trichy.

In his address, Dr. Metri highlighted the expansion plans of the institute. He also mentioned that as per the IIM Act this batch of 2016-18 will be the first batch to be awarded a degree instead of a diploma. He mentioned that IIM Trichy is touching the executives in Tamil Nadu and other parts of India through various executive education programmes. He specially emphasised on the need for the professionals to continuously upgrade their skills and knowledge. This is where IIM Trichy has decided to play a role. It will be the endeavour of the Faculty at IIM Trichy to become an institute of choice for professionals looking to upgrade themselves and be relevant in this age of continuously evolving business environment. The Director also emphasised how the institute will be working close with the Government of Tamil Nadu and the Industry in creating new content for the professionals.

The Vote of Thanks was proposed by Prof. Karthik Dhandapani, Chairperson, PGPBM which was followed by the dinner that witnessed a warm get together of the batch recalling their time at the campus.
