IIM Tiruchirappalli receives Association of MBAs (AMBA) accreditation

Indian Institute of Management Tiruchirappalli (IIMT) has officially received accreditation from the Association of MBAs (AMBA), one of the world's leading authorities in post-graduate business education, demonstrating its continuing commitment to excellence in management education.

IIM Tiruchirappalli was first accredited by AMBA in September 2022 for its flagship PGPM and PGPBPM programmes, followed by PGPM HR in 2023. In September 2025, the institute successfully achieved re-accreditation for all three programmes. The accreditation has been granted for a full period of five years, the maximum possible term, which reflects the strength of the school's performance across all evaluation parameters.

Upon receiving AMBA accreditation, all current MBA and recent MBA alumni of IIM Tiruchirappalli are invited to be part of AMBA's global member community of more than 60,000 students and alumni in more than 150 countries on a free basis, for networking, thought leadership, career development, and a variety of benefits.

Accreditation from AMBA represents the highest standard of achievement in post-graduate business education. Its rigorous assessment criteria ensure that only the highest-calibre programmes, which demonstrate the best standards in teaching, curriculum, and student interaction, achieve AMBA accreditation.

IIM Tiruchirappalli is based in Tiruchirappalli, Tamil Nadu, India. IIMT's mission is to nurture a learning environment for the creation and dissemination of management knowledge of global standards and to develop leaders of enterprises who add value to society and nation-building.

During the accreditation process conducted by AMBA, members of the accreditation panel, representing senior management from global business schools, commended IIM Tiruchirappalli's leadership team for its openness, transparency, and strong commitment to continuous improvement. Faculty members highlighted the collaborative culture of the school, while the panel praised the innovative International Week initiative, the MAD (Make A Difference) Project, and the Elixir programme as distinctive components that reflect IIM Tiruchirappalli's mission of creating socially responsible leaders.

Dr Pawan Kumar Singh, Director, IIM Tiruchirappalli, said *“At Indian Institute of Management Tiruchirappalli, we view Association of MBAs (AMBA) accreditation as a reaffirmation of our commitment to shaping leaders for a dynamic world. This recognition reflects not only our academic rigour and innovative pedagogy, but also our emphasis on values, ethics, and sustainability. I extend my heartfelt gratitude to the AMBA team for their meticulous evaluation and encouragement, and to our faculty, staff, students, and alumni for their unwavering dedication to excellence. This recognition strengthens our resolve to continue shaping leaders of integrity and impact.”*

AMBA accreditation is international in scope and reach, and AMBA works under the belief that accredited programmes should be of the highest standard and consider changing trends and innovation in post-graduate management education. Its accreditation process reflects this commitment to fostering innovation and demanding that business schools perform at the highest level continually.

Andrew Main Wilson, Chief Executive of the Association of MBAs and Business Graduates Association (BGA), said: *“I am delighted that IIM Tiruchirappalli has received accreditation from AMBA. The school has an impressive culture which is clearly very collaborative. I look forward to continuing to work with this school in the future and welcome them to the AMBA network.”*
