Subject: IIM Tiruchirappalli Announces Participation in JAP 2026

Tiruchirappalli, 11 September 2025 — Indian Institute of Management Tiruchirappalli is pleased to announce its participation in the Joint Admission Process (JAP) 2026, in collaboration with IIM Kashipur, IIM Raipur, and IIM Ranchi, for MBA admissions. This partnership reflects a shared commitment to academic excellence, institutional collaboration, and delivering a transparent and aspirant-focused admissions experience.

IIM Raipur will coordinate JAP 2026, overseeing the centralized admission process for all four participating institutions. As a key partner, IIM Tiruchirappalli aims to enhance candidate evaluation by aligning the process with its academic vision while promoting operational efficiencies and student engagement.

Admissions under JAP 2026 will be based on CAT percentile, academic performance, work experience, and diversity considerations. Final weightages and cut-offs will be determined after joint consultations among the participating IIMs and communicated to applicants in due course. Eligibility criteria are expected to be consistent with previous cycles, with adjustments aimed at expanding access to qualified candidates.

Prof. Pawan Kumar Singh, Director, IIM Tiruchirappalli, remarked,

"We are proud to collaborate with our peer institutions for JAP 2026. This joint initiative allows us to strengthen our academic assessment framework while offering applicants a seamless and supportive experience. At IIM Tiruchirappalli, we remain committed to transparency, fairness, and aligning our selection process with the institution's mission to foster leadership and innovation."

JAP 2026 offers candidates the convenience of applying to multiple leading IIMs through a unified platform, reducing logistical complexities and enabling interview options spread across various regions of the country. The initiative seeks to make the admission process more accessible, cost-effective, and efficient.

About IIM Tiruchirappalli

Founded in 2011, IIM Tiruchirappalli is among India's top management institutions, dedicated to shaping socially responsible and globally minded business leaders. The institute's academic programs and research initiatives promote leadership, innovation, and excellence in management education.
