Tiruchirappalli – 620024, Tamil Nadu, INDIA

### IIM Trichy Requires Research Staff for a Sponsored Research Project

#### Job Opportunity: Research Associate (RA) Position

IIM Tiruchirappalli is seeking a qualified individual to join our research team for the project titled, "VDart's Economic and Social Impact on Trichy." The primary objective of this project is to systematically gather, analyze, and consolidate data pertaining to the social and economic influence of VDart, both from the company's internal sources and publicly available information. The appointed RA will play a crucial role in producing a comprehensive technical report, intended for dissemination among various stakeholders of VDart.

#### Responsibilities:

1. Timely collection of both primary and secondary data from VDart and external, publicly available, and subscription-based data repositories.
2. Collaboration with Principal Co-investigators to analyze gathered data and generate meaningful research outputs, including a technical report and research findings.

#### Qualifications:

1. Strong analytical and data collection skills.
2. Ability to work collaboratively with a research team.
3. Flexibility with working hours.
4. Fluency in both Tamil and English is required.
5. The candidate should be willing to travel locally in and around Trichy as needed and preferably possess a two-wheeler.

#### Educational Requirements:

1. The ideal candidate must hold a post-graduate degree (first class) in commerce, economics, management, or statistics, demonstrating excellent writing skills and a robust research orientation.
2. Proficiency in statistical software such as SPSS, R, and Stata, along with familiarity with econometric modelling, is essential.
3. Additionally, the candidate should possess advanced proficiency in MS-Office/Ms-Excel and strong report writing capabilities.
4. Preferably, candidates with a Ph.D. in the mentioned fields are encouraged to apply, and those with prior experience in similar projects will be given preference.

**Compensation:** Consolidated salary ₹ 30,000 per month.

**Duration:** Four months

**Number of Positions:** One

**Location:** IIM Tiruchirappalli

This is a contractual position for a duration of four months. If you are enthusiastic about contributing to impactful research and meet the specified qualifications, we encourage you to apply. We look forward to welcoming a dedicated individual to our dynamic research team.

Interested candidates are requested to send his/ her resume to the email address
