About IIM Tiruchirappalli

Features among the Top 2% of B-Schools globally

BT-MDRA India's Best B-Schools 2025

among top B-schools in India by MBAUniverse.com Ranking 2024

Established in 2011, the Indian Institute of Management Tiruchirappalli (IIMT) is among the fastest-growing second-generation IIMs, featuring a state-of-the-art campus spread over 175 acres in Tamil Nadu. The institute has earned its reputation as a premier management institution, dedicated to creating and disseminating management knowledge. IIM Trichy boasts 54 faculty members with strong academic and industrial experience.

Faculty members hail from leading management educational institutions in India, such as IIMs and IITs, as well as esteemed foreign universities. The institute offers a range of programmes, including its flagship Post Graduate Programme in Management (PGPM), Post Graduate Programme in Human Resource Management (PGPM-HR), Post Graduate Programme in Business Management (PGPBM) for working professionals, and the Doctoral Programme in Management (DPM).

The institute's commitment to excellence is reflected in its accreditations. IIM Trichy holds the prestigious accreditation from the Association of MBAs (AMBA) and is a member of the Association to Advance Collegiate Schools of Business (AACSB), underscoring its adherence to global standards in management education.

The Executive Education and Consultancy (EEC) Centre furthers IIM Trichy's mission to reach aspiring executives, considering their time and location constraints. These e-learning programmes enable IIM Trichy to venture into the online Executive Education space, focusing on delivering contemporary, conveniently accessible, and affordable quality management education.

Director's Message

PROF. PAWAN KUMAR SINGH

Director,
Indian Institute of Management
Tiruchirappalli

Indian Institute of Management Tiruchirappalli (IIMT) is the 11th IIM established by the Government of India in 2011 and has now completed its 15-year milestone. Tiruchirappalli is a vibrant city widely known for its art and culture, which dates back thousands of years. Today, the city is a hub for educational institutions, scholastic centres, and modern industries. Our institute is transcending to new heights and stands true to its motto: 'Gyaanam Anantam', which means 'Knowledge is Infinite'. Continuous learning is the foundation for better value creation, and IIMT aspires to instill in its students an unceasing desire to learn. The institute proudly embraces the responsibility of shaping students into the leaders of tomorrow—catalysts of change for the betterment of society. IIMT operates from its sprawling state-of-the-art campus spread over 175 acres of land, situated about 11 km from Tiruchirappalli International Airport.

Our mission is to nurture a learning environment that assimilates, disseminates, and creates knowledge of global standards, thereby adding value to society and the nation. Starting the journey with an intake of 84 students, today we host over 900 students and offer diverse programmes such as the Post Graduate Programme in Management (PGPM); Post Graduate Programme in Management - Human Resources (PGPM-HRM); Doctoral Programme in Management (DPM); Executive Doctoral Programme in Management (EDPM); and Post Graduate Programme in Business Management (PGPBM) for working executives. The Executive Education & Consulting wing at IIM Trichy offers both short- and long-duration programmes, Faculty Development Programmes, and e-learning courses specially designed to enhance the skills and knowledge of corporate managers. Through a carefully designed curriculum, we shape our students into future leaders with a deep understanding of their fields. We also strive to create dynamic and innovative entrepreneurs who can bring positive changes to society.

Our strength lies in our faculty members and dedicated staff. Our faculty possess the highest levels of innovation and interactive teaching skills. They not only impart knowledge but also instill the core values and ethos of the invincible Indian culture. We foster a spirit of inquiry in our students, encouraging them to challenge existing paradigms for fruitful learning. High-quality research is an integral part of the IIMT culture. Our thoughtfully created Learning Resource Centre provides faculty and research scholars an exquisite academic ambience to nurture ideas and produce world-class research output. IIM Tiruchirappalli has expanded its horizons by entering into various collaborations with academia and industry. We have signed academic cooperation agreements with reputed institutions worldwide. Through projects like 'Make a Difference', we inculcate social and national commitments in our students.

We take pride in who we are. While we do not rest on past accomplishments, we constantly seek innovative ways to realize our vision of becoming a leading management institution with a significant impact on business and society. We believe the institute has the potential to transform into one of the best world-class management schools in India. We invite every stakeholder in society to join us on this journey of spreading value-based management education.

Financial Management

Know The Facilitators

She is also an Academic Visitor at NUS Business School, Singapore. Her research interests include Corporate Governance, Empirical Asset Pricing, Financial Engineering, etc.

Power the Shift: Shape India's Future-Ready Financial Ecosystem

India's financial sector is at a turning point; changing quickly due to regulatory updates, digital growth, and rising demand for inclusive, innovation-led financial services. From traditional banking to fintech innovations, the financial system is evolving to support sustainable economic growth and build future-ready financial infrastructure.

Globally, financial ecosystems are also adapting; technology-driven shifts, decentralized finance (DeFi), and a growing emphasis on ESG are pushing institutions to rethink value creation. Central banks are modernizing frameworks, while private players embrace AI, blockchain, and embedded finance to deepen access and personalization.

India's Financial Growth Story

“

Digital payments crossed ₹14.7K Cr in FY24

*RBI

India is among the top 3 fintech ecosystems globally, with over 11,000 startups

*PIB

13–15% Growth projected in NBFC AUM for FY25

*ICRA

”

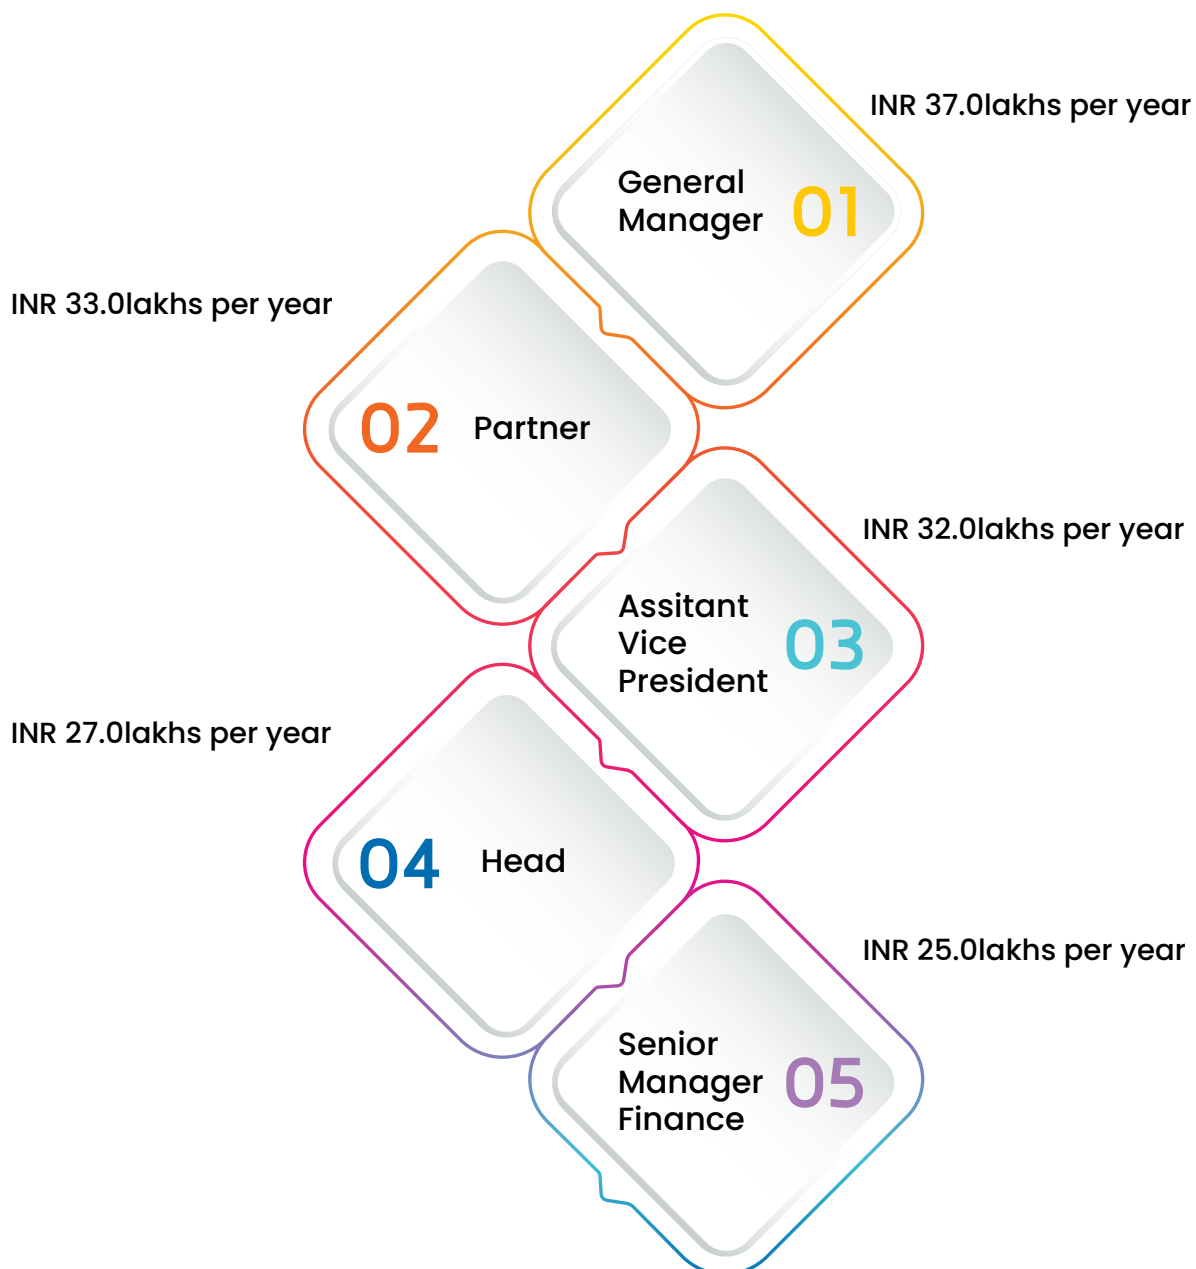

The Next Step: Building Financial Leaders for a New Era

As India cements its status as a global financial powerhouse, the next phase of growth will depend on leaders who can think strategically, act analytically, and lead ethically. From capital markets to digital banking, new models of growth call for professionals with:

- Cross-functional financial fluency
- Technological awareness
- An adaptive, inclusive financial mindset

This is the moment to power the shift—to shape not just your career, but the future of India's financial ecosystem.

Hear from the Participants

Mr. Akarsh Agnihotri

Sales Executive, ITI Finance

I joined this programme to escape the challenges of working in a low-paying sales job with little respect. The experience with the institute and faculty has been good, providing me with the knowledge and confidence to advance in my career. Key takeaways include gaining respect, a newfound willingness to learn, and career stability. Although I haven't completed the programme yet, Jaro Education has provided excellent support, and overall I'd rate the company 10/10. I highly recommend this programme to anyone aiming to switch careers or achieve bigger goals — you need to dream big to achieve big.
