IIM Tiruchirappalli invites e-tenders from the service providers/contractors for the **“Repair and Repainting of Cots in the Hostels at IIM Tiruchirappalli.”**

Service Description	Estimated Tender Value (Excluding GST)
“Repair and Repainting of Cots in the Hostels at IIM Tiruchirappalli”	Rs. 5,20,000/-

Procedure for Submission of Bids

1. General

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, preparing their bids in accordance with the requirements, and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

2. Registration

- a) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “Online bidder Enrolment” on the CPP Portal, which is free of charge.
- b) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- c) Bidders are advised to register their valid email addresses and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- d) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g., Sify/nCode/eMudhra, etc.), with their profile.
- e) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible for ensuring that they do not lend their DSCs to others, which may lead to misuse.
- f) Bidder shall then log in to the site through the secured log-in by entering their user ID/password and the password of the DSC / e-Token.

3. Searching for Tender Documents

- a) There are various search options built in the CPP Portal to facilitate bidders in searching active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords, etc., to search for a tender published on the CPP Portal.
- b) Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to inform the bidders through SMS/e-mail in case a corrigendum is issued to the tender document.
- c) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification/help from the Helpdesk.

4. Preparation of Bids

- a) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- b) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents, including the names and content of each of the documents that need to be submitted. Any deviations from these may lead to rejection of the bid.
- c) Bidder, in advance, should keep the bid documents ready to be uploaded as indicated in the tender document/schedule, and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 200 dpi with colour/black and white option, which helps in reducing the size of the scanned document.
- d) To avoid the time and effort required in uploading the same set of standard documents, which are required to be uploaded as a part of every bid, a provision of uploading such standard documents (e.g., PAN card copy, GST Certificates, auditor certificates, etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for the bid submission process

5. Submission of Bids

- a. The Bidder should submit the bid online in two parts, viz. Technical Bid and Price Bid. Technical Bid, along with the required documents, should be in PDF format and uploaded online. Price Bid in MS Excel “.xls” format only should be uploaded online.
- b. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time, i.e., on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- c. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- d. Bidders are requested to note that they should necessarily submit their financial bids in the format provided, and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and filled out by all the bidders. Bidders are required to download the BOQ file, open it, and complete the blue coloured (unprotected) cells with their respective financial quotes and other details (such as the name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save them and submit them online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
- e. The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referring to the deadlines for submission of the bids by the

bidders, opening of bids, etc. The bidders should follow these timelines during bid submission.

- f. All the documents being uploaded by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the Secure Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system-generated symmetric key. Further, this key is subjected to asymmetric encryption using buyers'/bid openers' public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- g. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- h. Upon the successful and timely submission of bids (i.e., after clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid number and the date & time of submission of the bid, with all other relevant details.
- i. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
- j. The off-line Tender will not be accepted, and no request in this regard will be entertained whatsoever.

General Terms & Conditions:

1. The total cost should be excluding GST and including all other charges.

2. **Work to be done at:**

Indian Institute of Management Tiruchirappalli,
Trichy- Pudukkottai Highway, Tiruchirappalli – 620 024.

Contact: Email: purchase@iimtrichy.ac.in | **Phone:** 0431 – 250 5121/22.

3. The bidder should take into account the Corrigendum/Addendum published on the CPP Portal and the IIM Tiruchirappalli website on the tender page from time to time before submitting the bids.

4. **Work Schedule**

- a) The successful bidder should complete the entire work **within 45 days** from the date of issue of the work order.
- b) In case the firm fails to complete work within the specified period, the Work Order as a whole shall be terminated, or applicable penalties shall be levied on the supplier/vendor. The decision of the competent authority in the matter of penalties would be final and binding.

5. The Bidder (s) should have been registered with the Goods and Services Tax Council for Goods & Services Tax (GST). A copy of the GST registration certificate has to be submitted with the tender document. ***A copy of the GST Registration Certificate, PAN, and Bank account details should be submitted along with the Bid.*** The names appearing on all these documents and the tender document should be the same or linked.

6. Payment Terms

- a) No advance payment will be made in any case.
- b) The payment will be made on the basis of actual measurement.
- c) The Vendor shall raise invoices after completion of the work to the satisfaction of the Institute. Payment will be made within 25 working days on receipt of the original bills.
- d) TDS and any other Government levies applicable on bills as per Government instructions/ notifications issued from time to time shall be applicable and deducted from the Service Provider's bills.

7. Penalty Clause

Deficiency/delay in work/services will be construed as lapses on the part of the vendor. Such lapses due to the Vendor will be viewed seriously, and penalties will be imposed on the Vendor in case of any delay in completing the required work as covered by this Tender within the stipulated date and timings. The penalty will be 0.5% per day on the Work Order value beyond the agreed date of completion, with a maximum limit of 20%. The decision of the Competent Authority of the Institute shall be final and binding.

8. **Warranty of Quality:** 12 months from the date of completion of the works.

9. Performance Security Details:

- i. The successful Bidder will be required to remit an interest-free Performance Security Deposit of 10% of the Work Order value through online transfer to the IIM Tiruchirappalli Bank Account, ***within seven days*** from receipt of the Provisional work order. On receipt of the Performance Security, a confirmatory Work Order will be issued to the successful bidder. The security deposit will be refunded to the vendor after the completion of the one-year warranty period from the date of completion/commissioning of the work.
- ii. Performance Security will be forfeited if the vendor fails to perform/abide by any of the terms or conditions of the contract.
- iii. In case, the Vendor fails to provide the required services as covered by this Tender within a specified delivery period, the same items will be obtained from the open market, and the difference of cost, if any, will be recovered from the Performance Security or from the pending bill(s) of the defaulting firm or from the vendor if the recoverable amount exceeds the Performance Security and there are no pending bills due to be paid to the respective vendor.

10. Place of work and visit to the site:

All intending tenderers are advised to visit the Indian Institute of Management Tiruchirappalli (IIM Tiruchirappalli) to acquaint themselves thoroughly with the local site conditions, nature, and scope of the proposed work, and the existing condition of the premises, fittings, fixtures, and other relevant factors before submitting their bids.

It is the sole responsibility of the tenderer to obtain all necessary information regarding the site, potential challenges during the execution of work, and the availability of on-site facilities. Submission of a tender shall be deemed to imply that the tenderer has made such an inspection and has fully familiarized himself with the site conditions and all factors affecting the execution of the work.

No claims or compensation shall be entertained at a later stage on the grounds of ignorance of site conditions or misjudgement of the nature of work involved.

11. Safety Precautions & Risks:

- i. The work/Service shall be carried out with utmost care to ensure that no damage to existing/ Adjoining work is done, failing which the damage, if any, done shall be rectified by the Contractor to match the Existing/ Adjoining work to the entire satisfaction of the Institute under the Contractor's own arrangement and at his own expenses.

12. The Contractor shall take all Precautions, Safety Measures, etc., to avoid Damage, Mishap, Accident, etc., to the Workmen engaged by him to carry out the work.

13. **Works Site Cleanliness:** During the work, the contractor shall always keep the working area and store free from waste or rubbish. On completion of work, he shall remove all debris, additional materials, and leave the premises clean to the full satisfaction of the Institute.

14. ***Charges need to be paid at the rate of 0.5% of the bill value towards Water and Electricity consumption.*** Since the responsibility for the quality, workmanship, and accuracy of any work being carried out under this contract lies with the contractor, the contractor should ensure that no work is done without the presence of the contractor's representative at the work spot, whose strength depends on the value of the contract awarded. The contract should arrange for surveying the construction site at his own cost.

15. The contractor should undertake to bear all taxes, rates, charges, levies, or claims whatsoever, as may be imposed by the state / central government or any local body or authority. The contractor also agrees to furnish such proof of payments of compliance with the obligation, including registration of certificates, receipts, licenses, clearance certificates, etc., as may be required by the Institute from time to time.

16. The work will be carried out as per the instructions of the Estate Office at the site, and nothing extra will be paid on this account.

17. The contractor shall bear all incidental charges for cartage, storage, and safe custody of the materials.
18. Whenever any reference to any Indian Standard specification occurs in the documents relating to this contract, the same shall be inclusive of all amendments issued thereto or revisions thereof, if any, up to the date of receipt of tenders.
19. The contractor shall take instructions from the Estate Office for the stacking of materials at any place. No waste materials shall be stacked on areas where other buildings, roads, or along the compound walls.
20. The Department shall not provide any store accommodation for the stores brought by the contractor or issued by the Institute.
21. Damage to the building during the execution of work shall be made good by the contractor, matching the surrounding surface; otherwise, the same shall be done at the cost of the working contractor.
22. Any damage to the existing fittings shall be replaced by the contractor at his own cost and risk to the entire satisfaction of the Institute.
23. Any defective material/equipment shall be replaced/required at the discretion of the Institute.
24. Canvassing in connection with the tenders is strictly prohibited, and tenders submitted by the tenderers who resort to canvassing will be liable to rejection. Any bribe, commission, or advantage offered or promised by or on behalf of the tenderer to any officer or staff of IIM Tiruchirappalli shall block his/ her tender from being considered. Canvassing on the part, or on behalf of the tenderer, will also make his tender liable to rejection.
25. **Subletting of Work:** The firm/agency should not assign or sublet the work/job or any part of it to any other person or party. The Tender is not transferable. Only one Tender shall be submitted by one tenderer.
26. ***The bidder should quote the rate for all the items; failing which, the tender will not be considered for further evaluation.***
27. The work is proposed to be executed at any time between September 2026 and 31 March 2027. Accordingly, the rates quoted shall remain valid up to 31 March 2027.
28. ***CPWD approved branded items only to be used.***
29. IIMT reserves the right to change/ extend/ modify/ amend, or delete any of the conditions, clauses, or items stated therein any or all provisions of this Tender document. Such revisions/ amendments/corrigenda will be made available on the website of the IIMT Tender portal.
30. IIMT also reserves the right to withhold or withdraw the process at any stage with intimation to all the bidders who have submitted the tender/tender.

31. Additional Quantity Class:

IIM Tiruchirappalli shall exercise an option to procure an additional quantity of the items in addition to the quantity initially mentioned in the tender in accordance with the same rate, terms & conditions of the tender. It will be entirely at the discretion of the Buyer (IIMT) to exercise this option or not.

32. Repeat Order Clause:

IIM Tiruchirappalli shall place the repeat order for the same quantity of the items or less as per the rate quoted by the successful Bidder (L1) within six months from the date of supply/successful commissioning/installation of the work with the same terms & conditions of the tender. In extraordinary circumstances, a repeat order shall be placed within 01 (one) year. It would be entirely at the discretion of the buyer (IIMT) to place the repeat order or not.

33. If you have any technical queries, please e-mail to purchase@iimtrichy.ac.in before submitting the tender.

34. **Jurisdiction:** All disputes arising out of this contract shall be subject to the Courts at Tiruchirappalli.

35. Force Majeure:

- a) Should any force majeure circumstances arise, each of the contracting parties shall be excused for the non-fulfilment or for the delayed fulfilment of any of its contractual obligations, if the affected party, within 15 days of its occurrence, informs in a written form to other party.
- b) Force Majeure shall mean fire, flood, natural disaster, or other acts such as war, turmoil, sabotage, explosions, epidemics, quarantine restrictions, strikes, and lockouts, i.e., beyond the control of either party.
