

CORRIGENDUM-I

for

Tender Notification No.: 23SP060; Dated 08/05/2023

Notice Inviting Tender For Providing Web Hosting Plan (Physical Managed Dedicated Server) to IIM Tiruchirappalli for a Period of 05 (Five) Years.

Corrigendum to the tender document

1. This is in reference to the above-mentioned tender:

Reference in the Tender Document	Corrigendum
Page No 4, Under Scope of Work, Point 1a) (Change in specification)	The Storage should be 960 GB or above. (i.e. increased from 500 GB to 960 GB). The SSD Drive should be of enterprise grade.
Page No 4 Under Scope of Work Point 1e) Access and administration: cPanel or equivalent for remote administration (Change in specification)	Removed. The vendor should provide only cPanel and any equivalent application can not be accepted.
Page No 4 Under Scope of Work Point 1h)	1TB remote FTP or equivalent physical back up drives are acceptable.
Additional clause # 1 (part of specification section)	The hosting service provider should provide the dedicated 30 Mbps bandwidth throughout the five years Period. If the bandwidth goes less than 30 Mbps (dedicated Server bandwidth and switch port speed) at any point of time during the 5 years contract period, your contract will be cancelled, the bidder will be blacklisted and a penalty will be charged.
Additional clause # 2	Whenever there is an additional requirement, the hosting service provider should upgrade the bandwidth to 1 Gbps (Maximum 20 days per year) during the contract period (Example. Result publishing period).

All other points mentioned in the Tender document other than the above Corrigendum will remain the same.
