Indian Institute of Management Tiruchirappalli

Executive Doctoral Programme in Management

Introduction

Indian Institute of Management Tiruchirappalli (IIMT) is the eleventh IIM situated in the city of Tiruchirappalli known for its prominence in education, spirituality, art, and culture. Our mission is to nurture a learning environment for the creation and dissemination of management knowledge of global standards and to develop leaders of enterprises who add value to society and nation-building. Gyaanam Anantam (Knowledge is endless), our motto, has strongly governed IIMT as it holds strong values that it imparts to its students, primary amongst which is an unceasing desire to learn. It also firmly believes that the foundation of value creation lies in the path of continuous learning.

Executive Doctoral Programme in Management

IIM Trichy's Executive Doctoral Programme in Management (EDPM) is a non-residential doctoral programme designed for senior executives from various sectors who would like to carry out serious academic research in the field of management without compromising on their ongoing professional pursuits. The programme is targeted at executives interested in research with a strong focus on solving real-world problems. The candidates in the programme undergo two years of rigorous coursework followed by their dissertation work.
