Procedure for Submission of Bids

1. General

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, preparing their bids in accordance with the requirements, and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

2. Registration

- Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “Online bidder Enrolment” on the CPP Portal, which is free of charge.
- As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- Bidders are advised to register their valid email addresses and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible for ensuring that they do not lend their DSCs to others, which may lead to misuse.
- Bidder shall then log in to the site through the secured log-in by entering their user ID/password and the password of the DSC / e-Token.

3. Searching for Tender Documents

- There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords, etc., to search for a tender published on the CPP Portal.
- Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective ‘My

Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS/e-mail in case a corrigendum is issued to the tender document.

- c) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification/help from the Helpdesk.

4. Preparation of Bids

- a) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- b) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- c) Bidder, in advance, should keep the bid documents ready to be uploaded as indicated in the tender document/schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 200 dpi with colour/black and white option which helps in reducing size of the scanned document.
- d) To avoid the time and effort required in uploading the same set of standard documents which are required to be uploaded as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, GST Certificates, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process

5. Submission of Bids

- a. The Bidder should submit the bid online in two parts viz. Technical Bid and Price Bid. Technical Bid along with required documents should be in PDF format and uploaded online in Cover-1. Price Bid in MS Excel ".xls" format only should be uploaded online in Cover-2.
- b. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- c. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- d. Bidders are requested to note that they should necessarily submit their financial bids in the format provided, and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the blue coloured (unprotected) cells with their respective financial quotes and other details (such as the name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.

- e. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referring to the deadlines for submission of the bids by the bidders, opening of bids, etc. The bidders should follow these timelines during bid submission.
- f. All the documents being uploaded by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the Secure Sockets Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system-generated symmetric key. Further, this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- g. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- h. Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- i. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
- j. The off-line Tender will not be accepted, and no request in this regard will be entertained whatsoever.

Eligibility Conditions for Bidders

Contact: Email: purchase@iimtrichy.ac.in | **Phone:** 0431 – 250 5022/5121/22.

- 3) The bidder should take into account the Corrigendum/Addendum published on the CPP Portal and the IIM Tiruchirappalli website on the tender page from time to time before submitting the bids.

4) Work Schedule

The successful bidder shall complete the entire work within **15 days** from the date of issuance of the Work Order.

5) Performance Security Details:

- i. The successful Bidder will be required to remit an interest-free Performance Security Deposit of 10% of the Work Order value through online transfer (NEFT/RTGS) to the IIM Tiruchirappalli Bank Account, within seven days from receipt of the Provisional work order. On receipt of the Performance Security, a confirmatory Work Order will be issued to the successful bidder. The security deposit will be refunded to the vendor after the completion of the Warranty period of one year from the date of completion/commissioning of the work.
- ii. Performance Security will be forfeited if the vendor fails to perform/abide by any of the terms or conditions of the contract.
- iii. In case, the Vendor fails to provide the required services as covered by this Tender within a specified delivery period, the same items will be obtained from the open market, and the difference of cost, if any, will be recovered from the Performance Security or from the pending bill(s) of the defaulting firm or from the vendor if the recoverable amount exceeds the Performance Security and there are no pending bills due to be paid to the respective vendor.

- 6) Time is the essence of the contract. Being a time bound project, the contractor should make all efforts to complete the work in time.
- 7) Expertise labour and work experienced persons only to be engaged.
- 8) The contractor shall follow norms of IIM security system for movement of men & materials within the campus.
- 9) The contractor shall strictly adhere to various labour laws in force.
- 10) The Contractor shall, at their own cost and risk, make all necessary arrangements for cartage, loading/unloading, transportation, storage, and safe custody of all materials required for the execution of the work. No separate payment shall be admissible on this account.
- 11) The contractor shall take instructions from the Estate Office/Engineer In Charge for the stacking of materials at any place.
- 12) All materials proposed for incorporation in the work shall be procured only after obtaining prior written approval of the Technical Data Sheets from the Engineer-in-Charge. Any procurement made without such approval shall be at the sole risk and cost of the Contractor and shall be liable for rejection.
- 13) The Contractor shall be solely responsible for verifying and ascertaining the exact quantities of materials required for the proper execution and completion of the work in all respects. Payment shall be made based on actual measurements recorded at site. Any surplus or unutilized materials remaining after completion of the work shall not be taken over by the Institute, and the same shall be removed by the Contractor at their own cost.
- 14) Since the responsibility for the quality, workmanship and accuracy of any work being carried out under this contract lies with the contractor, the contractor should ensure that no work is done without the presence of contractor's representative at the work spot, whose strength depends on the value of contract awarded. The contract should arrange for surveying construction site at his own cost.
- 15) The decision of Engineer-in-charge shall be final and binding on the contractor regarding clarification of items in this tender schedule.

16) Payment Terms

- a. No advance payment will be made in any case.
- b. The Vendor shall raise invoices after completion of the work to the satisfaction of the Institute. Payment will be made within 25 working days on receipt of Original Invoice.
- c. TDS and any other Government levies applicable on bills as per Government instructions/ notifications issued from time to time shall be applicable and deducted from the Service Provider's bills.

17) Penalty Clause

Deficiency/delay in work/services will be construed as lapses on the part of the vendor. Such lapses due to the Vendor will be viewed seriously, and penalties will be imposed on the Vendor in case of any delay in completing the required work as covered by this Tender within the stipulated date and timings. The penalty will be 0.5% per day on the Work Order value beyond the agreed date of completion, with a maximum limit of 20%. The decision of the Competent Authority of the Institute shall be final and binding.

18) Canvassing in connection with the tenders is strictly prohibited, and tenders submitted by the tenderers who resort to canvassing will be liable to rejection. Any bribe, commission, or advantage offered or promised by or on behalf of the tenderer to any officer or staff of IIM Tiruchirappalli shall block his/ her tender from being considered. Canvassing on the part, or on behalf of the tenderer, will also make his tender liable to rejection.

19) **Subletting of Work:** The firm/agency should not assign or sublet the work/job or any part of it to any other person or party. The Tender is not transferable. Only one Tender shall be submitted by one tenderer.

20) Warranty of Quality for Materials and Workmanship:

The contractor shall provide a warranty for all materials, components, and equipment supplied under this contract, as well as for the workmanship and performance of the works executed, for a period of 12 (twelve) months from the date of completion and commissioning of the work, as recorded by the Engineer-in-Charge. The warranty shall cover defects in materials, installation, and workmanship. During the warranty period, any material found to be defective, substandard, or not conforming to the specified requirements, and any defects arising from faulty installation or poor workmanship, shall be repaired or replaced by the contractor at their own cost, including all labour, materials, transportation, and incidental expenses, to the complete satisfaction of the Engineer-in-Charge.

21) Additional Quantity Class:

IIM Tiruchirappalli shall exercise an option to procure an additional quantity of the items in addition to the quantity initially mentioned in the tender in accordance with the same rate, terms & conditions of the tender. It will be entirely at the discretion of the Buyer (IIMT) to exercise this option or not.

22) Repeat Order Clause:

IIM Tiruchirappalli shall place the repeat order for the same quantity of the items or less as per the rate quoted by the successful Bidder (L1) within six months from the date of supply/successful commissioning/installation of the work with the same terms & conditions of the tender. In extraordinary circumstances, a repeat order shall be placed within 01 (one) year. It would be entirely at the discretion of the buyer (IIMT) to place the repeat order or not.

23) If you have any technical queries, please e-mail to purchase@iimtrichy.ac.in / 0431 -250 5048/5166 before submitting the tender.

24) **Jurisdiction:** All disputes arising out of this contract shall be subject to the Courts at Tiruchirappalli.

25) **Force Majeure:**

- a. Should any force majeure circumstances arise, each of the contracting parties shall be excused for the non-fulfilment or for the delayed fulfilment of any of its contractual obligations, if the affected party, within 15 days of its occurrence, informs in a written form to other party.
- b. Force Majeure shall mean fire, flood, natural disaster, or other acts such as war, turmoil, sabotage, explosions, epidemics, quarantine restrictions, strikes, and lockouts, i.e., beyond the control of either party.
