	Is there any cost involved for adding a New Program?	<p>1. No additional charges for adding of new program in the same dashboard having similar admission process. Accordingly, the design has to be made so that we could add third or fourth programmes from the backend as and when required. However, as of now, there is no immediate plan to add any new programme.</p> <p>2. For addition of any New Program in a separate dash board having very different admission process, the rate should be quoted as per the BoQ (per person hour for 200 person hours per year) given at Point no. 5 of the Price Bid (page 52) in the Tender document.</p>
	Whether the vendor has to provide security audit certification?	If the payment gateway service provider insists for Security audit certification, then the same will be done by IIM Trichy. If the auditor notice any vulnerability, the same has to be rectified by the successful bidder.
	Whether Prior experience and Prior turnover will be waived off for the MSME bidders?	No. Design and development of online Admissions Portal is of critical and sensitive nature and prior experience, in this regard, plays significant role in understanding the Institute's requirement. Hence the Institute prefers the Vendors to have minimum two years prior experience in the similar type of works.

All other points mentioned in the Tender document other than the above corrigendum will remains same.
