

## **CORRIGENDUM-II**

for

Tender Notification No.: 25SP231T; Dated 04/11/2025

### **Tender for the Supply of Receiver Unit for the Existing Beamforming Ceiling Microphone Array System to IIM Tiruchirappalli**

The following changes have been made through this Corrigendum-II to the above Tender:

<b>Tender Reference</b>	<b>Amendment / Clarification</b>
Page No. 5	The required receiver unit is to replace the faulty component of the existing beam-forming Microphone Array system. If the specified model is at the end of sale, another equivalent compatible model can be supplied by the vendor. The image of the faulty component (Box where the Ethernet cable is terminated) is available in the Tender as Annexure III.

All other points mentioned in the Tender document, other than the above Corrigendum, will remain the same.
