

CORRIGENDUM-I

for

Tender Notification No.: 25SP160T; Dated 04/09/2025

Tender for the Supply, Installation, Testing, and Commissioning of Audio Systems in the Multipurpose Hall of IIM Tiruchirappalli

The following changes have been made through this Corrigendum-I to the above Tender:

Tender Reference	Tender Specifications	Clarification/Amendments to
Sl. No. 1 at Page 13	Line Array Column Loudspeaker (Min.190 Watts) with 16 x 2" Full Range Drivers; etc. Min. Power rating: Min. 325 W @ 8 ohms. 4 Nos of the existing speakers (JBL CBT100LA-1) would also be integrated with the system, and hence the proposed column speakers should be equivalent and fully compatible with the existing model. Makes: JBL, Bose, Meyer Sound, L Acoustics, Yamaha, QSc, Electro Voice.	The vendor should provide column loudspeakers according to the specifications given in Serial No. 1 at the Technical Specifications on Page 13, which should be compatible with the existing speakers (JBL CBT100LA-1) and 4-channel amplifiers (Crown CDi 4X300).
Sl. No. 19 at Page 16	Supply and fixing of conduits along with supply of 1" PVC Conduits.	The vendor should install/fix 50 meters of existing conduits, and the laying & fixing cost of these conduits should be included in the installation cost of the price bid.
Sl. No. 21 at Page 16	Installation and configuration of the existing Amplifiers (2 Nos), Column speakers (2 Nos), stage monitor speakers, AP/Wi-Fi-based microphone system (Senneiser - SL MCR DW) with handheld, lapel mics, etc., Wireless Handheld analogue mic system(outdoor)	The vendor has to install, integrate, and configure all the existing AV devices that are required for the integration, like Amplifiers, Speakers, etc., seamlessly. The cost for the same should be included in the installation cost of existing items.
New Clause	The successful bidder must develop separate AV schematics for both the MPH and the outdoor installation, ensuring optimal performance based on an analysis of existing equipment and site conditions. The indicative design provided in the tender should not be considered. Installation work shall commence only after receiving approval from IIMT officials.	
Compliance sheet	The bidder should attach a compliance sheet along with the make and model for all the active components. If there are any deviations or compatibility issues in the specification, the bid submitted by the bidder will be rejected.	

Date Extension for submission of the Tender: The deadline for submission of the Tender has been extended up to 01st October 2025 (5.00 pm).

All other points mentioned in the Tender document, other than the above Corrigendum, will remain the same.
