25	IIMTP/R/E/25/00017	Purnima	Plot No. 85, Ashirwad Colony Behind Laxmi Iron & Furniture Kolar Road , Bhopal	Madhya Pradesh	5/6/2025	REQUEST DISPOSED OF  (As On 14/05/2025)	<p>Sir/Maam, Generally, IIMs follow reservation rules issued by Government of India for admission of candidates in various courses. For reservation of NC-OBCs, Ministry of Personnel, Public Grievances &amp; Pensions, Department of Personnel and Training (DOPT) has issued various notification /Circulation/OMs from time to time as detailed below: No. 36012/22/93-Estt.(SCT) dated 08.09.93 No. 36033/5/2004 -Estt (Res)dated :14.10.04 No. 36033/1/2013-Estt(Res.) dated 13.09.17 and O.M. No.36011/1/2022-Estt (Res-I) dated 28.03.2024, which is compilation of all up-to date reservation rules of SC/ST/OBC category applicable at present. Above orders describes the criteria when a candidate should be treated as non-creamy layer. These Notifications clarify about certain conditions when sons and daughter of a Direct recruited Group B/ Group C Govt Employee (s) would be treated as non-creamy layer. It has been seen that NC-OBC candidates, whose parents are serving/retired Government Employee (S) and do not fall under any sub category of creamy layer, indicated in above orders face (s) various problem (s) at the time of admission in several educational institution (s) because the admission committee members are either new or they do not know the complete rules related to NC-OBC. As per NC-OBC reservation rules: 1.If only husband is direct recruited Group B employee (spouse in not in any private/Govt service) and the Husband is not promoted to Group A before age of 40 years. or Parents (Husband and Wife) both are group C employees and 2. their family does not have property more than the limit prescribed in Wealth Tax act. and 3. the family income of the parents (Excluding Government Salary/Agriculture income) is not more than Rs. 8.00 Lakh, the Candidate (sons/daughters of Government employee) would be eligible for non-creamy layer status. The admission committee members often raise questions regarding the family income of the parent (Government employee) being more than Rs 8.00 Lakh, but they do not know that the salary income and agriculture income of a government employee (Parent) is not to be included for calculation of income for determining NC-OBC status of the candidate. Last year some educational institutions created dispute due to their ignorance, and the National Commission of Backward Classes, Delhi had to interfere for the admission. As we are working for welfare of NC-OBC, please provide below mentioned information : Whether your institution is following the DoPT orders issued up to 28 March 2024 completely and excluding the salary and Agriculture income of Government employee (s) for determining the Family Income of the parents of the candidate at the time of admission in any course or Your institution has not been following the latest DoPT orders completely and including the Salary and Agriculture income of Government Employees (Parents) for computation of family income, for determining the NC-OBC status of the candidate.</p>

Sir I Surender Kumar Yadav a former constable who faithfully served the Uttar Pradesh Police from 2011 to 2022 am submitting this RTI application u/s 6(1) 7(1) today with deep pain and anguish. This application is not a mere formal attempt to obtain information, but a pathetic cry of my soul which has been crushed by the system I swore to protect. It is the cry of one whose childrens innocent dreams were ruthlessly shattered the agony of one whose old mother was humiliated and the anger of a citizen whose identity was publicly shredded. In the year 2023 when I and my family were expecting security and dignity of our lives in Government House No. 207 at Reserve Police Line Noida, the lock of our Government House was broken in an inhuman and illegal manner by some police officers and our personal belongings were thrown on the road. It was not just the lock of a house that was broken but it was the lock of the honour of Mother India that was broken it was a direct attack on the dignity honour pride and shaan of a citizen. The ideas of Sardar Vallabhbai Patel were insulted in which he had envisioned a strong and just nation where the dignity of every citizen is protected. Prior to this outrageous act I was mentally harassed and forced to resign under the pressure of a dubious FIR ... (Please Find the attached application and files)... ..</p>

As a middle class aspirant, I find the system exploitative, profit driven, and deeply inaccessible for deserving candidates. 1. Excessive Application and Process Fees: Application form fees alone range between Rs 2000 to 3500 per college, and students typically apply to multiple institutions to keep their chances alive. This adds up to an enormous cost, often exceeding Rs 40000 to 50000 just to apply. On top of that, most colleges charge additional amounts (1000 to 2500) just to allow students to sit for their GD PI (Group Discussion and Personal Interview) process. There is minimal to no support or fee waivers offered to students from economically weaker sections. 2. Unreasonable Admission Deposits: Top colleges like NMIMS are asking students to deposit 11 lakhs as an initial confirmation amount, a figure that is unaffordable for many and difficult to arrange in a short timeframe. This practice lacks transparency and sensitivity to the financial background of students. 3. Monetization of Waitlist Process: Even more concerning is how reputed institutes, including IIMs, have now started charging students just to check their waitlist status or to confirm interest in remaining on the list. Terms like Advance Waitlist or Expression of Interest (EOI) are being introduced, where students are asked to pay anywhere fr

I appreciate the transparent admission guidelines published on your website. Kindly permit me to request the following information on GMAT-based admissions statistics of last 3 years (2025, 2024 and 2023). While the publicly stated exemption threshold is GMAT greater than 500 to skip WE-MAT, I understand that meeting minimum eligibility may not guarantee admission. Could you clarify if there has ever been a formal GMAT-score cutoff used for shortlisting or final admission? If yes - please share the details (e.g. percentiles, sectional / overall score thresholds, or relative profile requirements). How many applicants applied based on valid GMAT scores as part of their application? Out of those applications, how many finally received admission offers based on GMAT (i.e. without needing WE-MAT)? Out of those, what is the highest and lowest GMAT score, who took the admission? Thank you</p>
