NOTICE INVITING TENDER

1. OVER VIEW

Indian Institute of Management Tiruchirappalli (IIM Trichy) is an Institute of National Importance, established by the Ministry of Education, Govt. of India. More details about IIM TRICHY are available in our website www.iimtrichy.ac.in.

IIM TRICHY invites sealed Tenders from Software Service Providers for Design, Development Customizations and Maintenance of IIM Tiruchirappalli Online Admission Portal and Maintenance of the same Portal for a further period of three years. The Tentative value of the Tender is as under:

Service Description	Estimated Value of the Tender	Earnest Money Deposit (EMD)	Interest free Performance Security Deposit
Design, Development, Customizations and Maintenance of IIM Tiruchirappalli Online Admissions Portal	Rs. 8,00,000/-	Rs. 20,000/-	3% of the Work Order value
Maintenance of the above Portal for a further period of three years			

2. BROAD SCOPE OF WORK

TECHNICAL SPECIFICATION FOR DESIGN, DEVELOPMENT CUSTOMIZATIONS AND MAINTENANCE OF IIM TIRUCHIRAPPALLI ONLINE ADMISSION PORTAL AND MAINTENANCE OF THE SAME PORTAL FOR A FURTHER PERIOD OF THREE YEARS:

- Master Data will be provided by the Admissions Office for seeding the portal at the start of the admission season for a particular academic year in the form of excel file which will have the following contents:
 - Program Name
 - CAT Registration ID
 - Applicant Name
 - D.O.B (dd/mm/yyyy)
 - Email address
 - Mobile No
 - Gender
 - Aadhar Card Number

- **Address Line 1**
- **Address Line 2**
- **Address Line 3**
- **State**
- **Town/City**
- **Pincode**
- **Alternate Mobile Number**
- **Category**
- **VA RC Percentile**
- **DI LR Percentile**
- **QA Percentile**
- **Final Composite Score (4 decimal)**

- b. The excel file with above fields has to be uploaded from the backend of the software. There would be separate excel file for each programme. There should be a window for each programme at the backend for entering category-wise “cut-off composite score” for the offered candidates. At the moment, there are only two programs PGPM and PGPM-HR, but provision should be included for adding more programs in the future having similar admission process and also having a very different admission process.
- c. On the same window, there should be three text boxes for entering Preparatory Cut-off (Labels: VA RC Percentile, DI LR Percentile & QA Percentile). The backend window will look like the below image:

CUT OFF MARKS FOR GENERATING FIRST

category-wise cut-off composite score :

GENERAL :
EWS :
NC - OBC :
SC :
ST :
DAP :

Cut off marks for Preparatory/Non-Preparatory :

VA RC Percentile :
DI LR Percentile :
QA Percentile :

GENERATE FIRST LIST

2.1 Generation of First List:

- After entering the cut-off marks, “Generate First List” button has to be pressed to generate the first list. In the system generated first list, two additional columns that would be required to be added are given below:
 - **Off / WL**
 - **PREP/NON-PREP**
- The candidates whose final composite score is higher than or equal to the cut-off composite score will be categorized as “Offered” and others will be categorized as “Waitlist”. Accordingly, for offered candidates, the value “O” will be mentioned and for waitlisted candidates “WL” will be mentioned under the column “Off/WL” during the generation of first list.
- Similarly, the candidates whose cut-off VA RC, DI LR & QA percentile are more than or equal to the given values will be considered as “Non-Preparatory” and it will be mentioned as “NP” and for the remaining candidates it will be mentioned as “P” under the column “PREP/NON-PREP”. There will be a separate “Offers Letters” for the Preparatory and Non-Preparatory Candidates.

- d. There should be provision for downloading the system generated first list in excel format for cross verification. After the due verification by the admissions department, IT Section will publish the result. There should be a “Publish First List” button for publishing the result. After publishing the first list, we need to enable the login button for the students to view their admission status. Only after enabling the button from the backend, students will be allowed to login the portal.
- e. Candidates should login using their CAT ID & DOB in the portal. In the login page, date, month and year should be in a separate drop down tools. An OTP should be generated and sent to their email as well as SMS during each login.
- f. During first login, students should be asked to set their Program Preference (For example: - PGPM - Preference 1 & PGPM-HR - Preference 2 etc.). After setting their preference for programs, students in all subsequent logins will view their application status for each of these programs, under each of the quotas (general, reserved etc.) in the next dashboard (there should be programme wise dash board which would be accessible from the main dash board). The program preference is NOT editable for the student after setting it during first login.
- g. There should be a separate button for sending Emails & SMS. The content of the email for both programme (PGPM and PGPM-HR) will be reflected in the same email and SMS based on the selection made by the candidate. The programme name will be shown as a heading followed by the content of the respective programme. The content for the same is given below:
 - **Offered: Welcome to IIM Tiruchirappalli family. You have been offered admission at IIM Trichy. For more details, please login to our admission portal. The URL of this portal would be available at the homepage of our website.**
 - **Waitlist: You have been provisionally waitlisted at IIM Tiruchirappalli. You will have to pay Rs.00,000 to remain in the active waitlist. For more details, please login to our admission portal. The URL of this portal would be available at the homepage of our website.**
- h. There should be user management module at the backend through which multiple users can be created and privileges can be set. The administrator user will be a default user and he will have full privilege to view/add/edit/delete/download the backend settings and files.
- i. There will be a deadline for paying acceptance fee for the offered and waitlisted candidates in the first list. For the offered candidates, there will be another deadline for paying the balance course fee (Term I fee).
- j. The deadline for paying of waitlist commitment amount (Rs.00,000/-), Offer Acceptance fee (Rs. 0,00,000 Lakhs) and balance Term-I fee (Rs.0,00,000 Lakhs) for offered candidates will

be set from the backend. The waitlist candidates have to pay an amount of Rs.00,000/- as waitlist commitment fee before the deadline to remain in the active waitlist. The offered candidates have to initially pay the acceptance fee of Rs. 0,00,000 Lakhs (approximately) within the deadline set by us from the backend. The remaining Term I fee of Rs.0,00,000/- Lakhs also needs to be paid within the deadline to complete their admission process and submission of online application form. If a candidate has not paid the prescribed amount within the deadline, then the status in their dashboard should change to “offer expired”.

- k. There should be a provision for setting the following user defined values from the backend:

Offer Acceptance Fee = Rs. 0,00,000

Waitlist Commitment Fee = Rs. 00,000

Balance Term-1 Fee = Rs. 0,00,000

Term-I fee when the Status of WL

converted to Offered (Second list onwards) = Rs. 0,00,000

Process fee to be deducted during withdrawal: Rs. _____

(The above field will be used for deducting processing fee of Rs.0,000/- in case of withdrawal before the registration date.)

Caution Deposit = Rs.00,000/-

Mess Advance = Rs.00,000/-

Daily Mess Charge = Rs. 0,000

(Daily mess charge will be used for the calculation of deduction during withdrawal on or after the registration.)

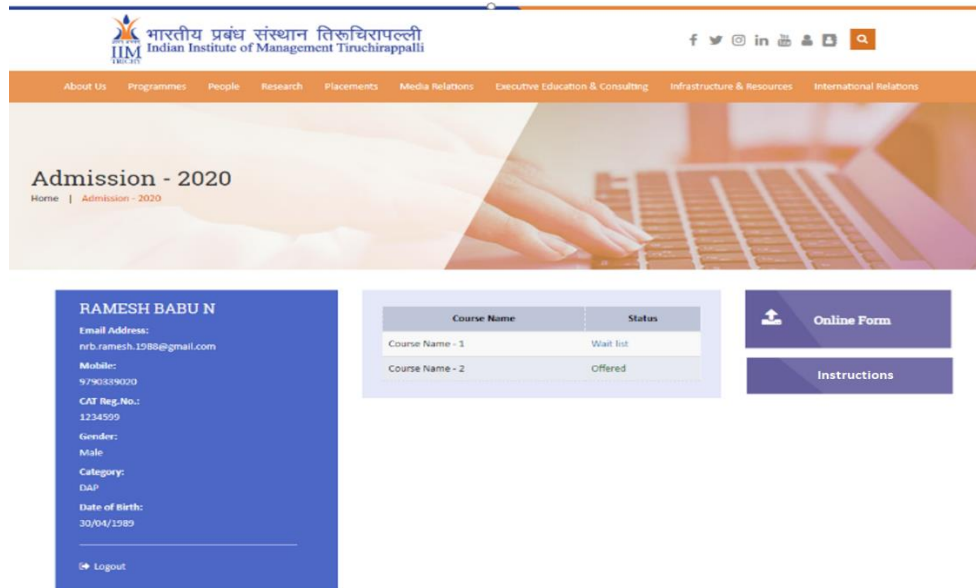

Registration Date:

Deadline for Withdrawal:

Deadline for submission of Online Application:

Date of publishing of Active Waitlist:

- l. When the students login after setting their preferences, the following dashboard will appear

On the dashboard, the status of each programme will be shown as in the above image.

Case-1: Candidate status is “Offered”

When the status field is *offered* and the candidate clicks on the Offered link, the display of the second screen should be as given below.

- The screen will normally have 3 buttons out of which one would be for making payment, second would be for going back to main screen and the other for downloading the offer letter. The withdraw button and payment history button will become active only after making the payment.

Case-2: Candidate status is “Waitlisted”

- If the candidate clicks on the Waitlisted link, the following functionality is expected in the next screen.
- This screen will have 2 buttons, one for Making payment and the other for downloading the waitlist letter. Please note that the withdraw button should become active only after making the payment.
- The following text should also be shown “*The details of active waitlist will be published on(date from backend)*”

The screenshot displays the IIM Trichy Admission - 2020 portal. The top navigation bar includes links for About Us, Programmes, People, Research, Placements, Media Relations, Executive Education & Consulting, Infrastructure & Resources, and International Relations. The main header reads "Admission - 2020" with a sub-link "Home | Admission - 2020". Below this, a candidate's profile is shown for RAMESH BABU N, with details including Email Address (nrb.ramesh.1988@gmail.com), Mobile (9790339020), CAT Reg.No. (1234599), Gender (Male), Category (DAP), and Date of Birth (30/04/1989). A "Logout" button is at the bottom. To the right, a "Payment" section states: "You have to pay the following amount to remain in the active waitlist latest by (date/deadline will be entered at the back end)". The amount is listed as 10,000 INR. Below this, it says "Details of active waitlist will be published on". At the bottom of the payment section are three buttons: "Download Waitlist Letter", "Go to Main Page", and "Make Payment".

- For a waitlisted program, the candidate has to pay a waitlist commitment amount (Rs. 00,000/-) within a prescribed deadline to confirm his/her willingness to be considered for admission to the program.
- The functionality associated with the make payment button and redirection to payment gateway is similar to the process which is detailed above for the offered case (**Refer Case-1 Candidate status is Offered**) The illustrative screens for this functionality are given below.

- vii. Furthermore, after successful payment, the **'Withdraw'** button should be enabled instead of the make payment button, through which the applicant can withdraw from further consideration for the program.

- viii. After every payment, the receipt should be automatically sent to the candidate's email address as well as Admissions Office & Accounts Office (admissions@iimtrichy.ac.in & aofa@iimtrichy.ac.in).
- ix. The functionalities pertaining to download waitlist letter are similar to the download offer letter functionality discussed in Case-1 for offered candidates.
- x. The functionalities pertaining to download payment receipt are similar to the case-1. The relevant screen is given below. This will also have print and save as PDF option when clicked on that button.

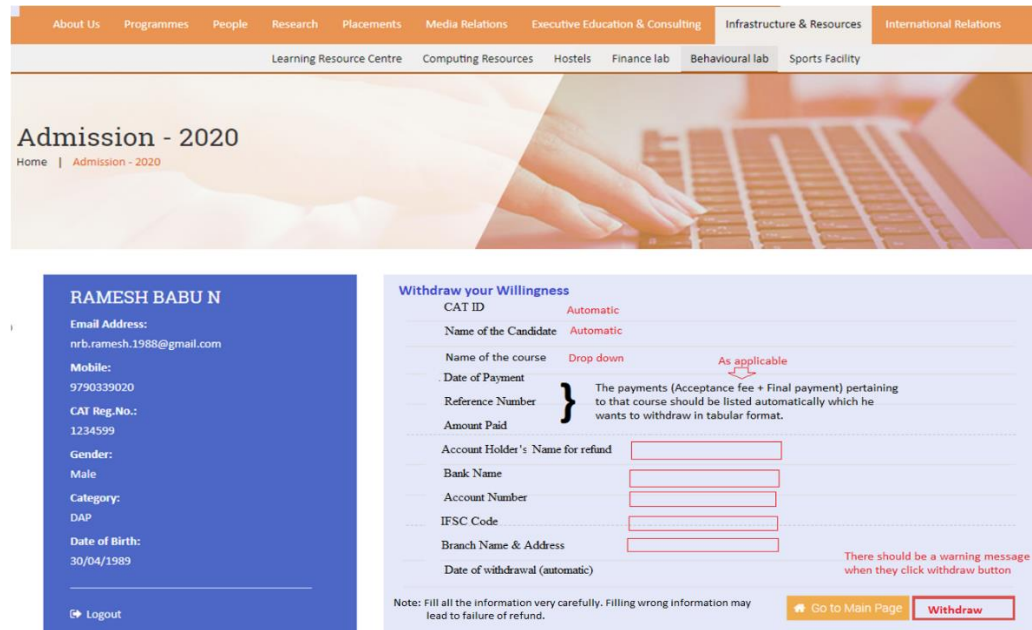

The screenshot displays the 'Admission - 2020' portal. On the left, a blue sidebar shows the candidate's profile for RAMESH BABU N, including email, mobile, CAT Reg. No., gender, category, and date of birth. The main content area, titled 'Payment Details', shows a table of payments with columns for Course Name, Amount, Action, and Reference Number. A note indicates that withdrawals can be made for each programme separately. At the bottom, there are buttons for 'Download Payment Receipt', 'Go to Main Page', 'Download offer Letter', and 'Withdraw'.

- xi. The functionalities pertaining to the withdraw button (which will be active only for the candidates who have paid the waitlist commitment amount) are similar to the Case-1. The relevant screen is given below for illustration.

The screenshot shows the IIM Trichy website's admission portal. The top navigation bar includes links for About Us, Programmes, People, Research, Placements, Media Relations, Executive Education & Consulting, Infrastructure & Resources, and International Relations. Below this is a secondary bar with Learning Resource Centre, Computing Resources, Hostels, Finance lab, Behavioural lab, and Sports Facility. The main header area displays 'Admission - 2020' with a 'Home | Admission - 2020' breadcrumb. The left sidebar for user RAMESH BABU N shows contact details: Email Address: nrb.ramesh.1988@gmail.com, Mobile: 9790339020, CAT Reg.No.: 1234599, Gender: Male, Category: DAP, and Date of Birth: 30/04/1989. The main content area is titled 'Withdraw your Willingness' and contains a form with fields for CAT ID (Automatic), Name of the Candidate (Automatic), Name of the course (Drop down), Date of Payment, Reference Number, Amount Paid, Account Holder's Name for refund, Bank Name, Account Number, IFSC Code, Branch Name & Address, and Date of withdrawal (automatic). A note explains that payments (Acceptance fee + Final payment) pertaining to the course should be listed automatically. A warning message states: 'There should be a warning message when they click withdraw button'. At the bottom, there is a 'Go to Main Page' button and a 'Withdraw' button. A note at the bottom left states: 'Note: Fill all the information very carefully. Filling wrong information may lead to failure of refund.'

There should be an empty field in the second page (course-wise dashboard) of candidates for both waitlist and offered status, where the institute can display any specific comment pertaining to a candidate. If such a comment is not available in the backend database, then this label will not be visible in the screen.

2.2 Generation of Second List:

- The software will automatically generate the following values during the generation of active waitlist (Second List):
 - Category wise WL-Rank
 - Category wise Offer Made upto
 - Overall Active WL Rank
 - Overall offer made upto
- Before generating the active waitlist, the login button will be disabled for the students. Those who have paid the Waitlist commitment amount of Rs. 00,000/- will only be considered for the generation of active waitlist (Second list). During the generation of active waitlist, the system should automatically generate Category-wise WL Rank, Category-wise offer Made upto, Overall Active WL Rank and Overall offer made upto. These systems generated values will be stored against the above mentioned four fields for each and every candidate.
- There should be a window at the backend for giving category-wise cut-off marks along with a field for entering “Next status will be updated on” date and a button for generating the second

list (active waitlist). Based on the category-wise cut-off marks, those who obtained final composite score more than or equal to this cut-off marks (stipulated by the Admissions Office) will be converted from 'Waitlist' to 'Offered' status and accordingly the respective value in the field (Off/WL) will be changed from "WL" to "O".

- d. The value of Off/WL field of those who scored less than the cut-off marks will remain in the "WL".
- e. This system generated file will be downloaded from the backend and verified by the Admissions Office after which there should a button for "publishing the active waitlist" (Second list). After publishing the active waitlist, the login button will be enabled to the students.
- f. The rank of the candidate who has been converted to Offered and obtained the least mark under the respective category will be reflected as "Category-wise offer Made upto" against name of the candidates, who are still under the waitlist except "General".
- g. The rank of the candidate who has been converted to offered and obtained the least mark under General Category will be reflected as "Overall offer made upto" against name of all the candidates, who are still under waitlist.
- h. Rank for each programme - Category-wise active waitlist and Overall active waitlist will be assigned to the candidates based on their marks (Final Composite Score) obtained from highest to lowest order. These ranks will not be changed until the whole admission process is over.
- i. The programme-wise ranks assigned to the candidates during the generation of second list will be permanent and during the generation of future offer list (3rd list onwards) the same rank will be show on their dashboard.
- j. Category-wise "Rank" and Category-wise "offer made upto" should not be shown on the dashboards for the unreserved (General) candidates. However, overall rank and overall offer made upto should be shown.
- k. The rank details have to be shown as given below (for example) in the Dashboard:

Particulars	PGPM	PGPM-HR
Overall active waitlist Rank	85	20
Offer made upto (Overall)	40	10
Particulars	PGPM	PGPM-HR
Category wise active waitlist Rank	EWS – 22	EWS – 7
Offer made upto	EWS – 15	EWS - 3

- l. If a candidate has not chosen a course, the column pertaining to that course should not be visible for such candidate. However, the vendor can make their own design ensuring that all the above fields are incorporated in a user-friendly manner.
- m. If more than one candidate scores the same marks, then the rank (for Category-wise and Overall active-wise) should be decided based on their Date of Birth. However, if any students are having the same marks/cut-off as of last candidate, they should also be included to be offered for admission. It means, the candidates having the same score should be offered admission together.
- n. When the Status of WL converted to Offered (Second list onwards), the students have to pay the balance Term-I fee of Rs.0,00,000/- within the deadline to complete their admission process and submission of Online application form. For such candidates, the payment button should be enabled on the dashboard of the respective programmes accordingly.
- o. The candidates who remain in the waitlist should be able to see “Next status will be published on_____”. This date will be fetched from the backend which was entered by us during the generation of second list.
- p. Conversion of Candidates from the reservation categories (EWS, NC-OBC, ST, ST & DAP) to General (Unreserved):
- q. The rank of those who have been offered under respective categories (through reservation system) during the generation of first list will be revalidated during the generation of second list. If the marks obtained by those candidates are happen to be higher than the cut-off marks given for the General Candidates in the second list, then such candidates will be moved to Unreserved (General) Category. This should be reflected in the application form of such candidates as well as in the backend reports. There should be a separate report at the backend to generate the list of such converted candidates (from which category to General category should be clearly shown in the reports).
- r. During the initial login, if a candidate is selected one course as Preference 1 and other course as Preference 2 and he/she has got offer for Preference 2 and paid the fee. Subsequently, he got the offer for his/her first preference. During such situation, there should a provision to the candidates to change the course and accordingly the payment also will be transferred. This change should also be reflected in the application form. Please find below the illustrations:

For example:

A candidate has chosen PGPM as preference-1 and PGPM-HR as Preference 2. During publishing of the First List, he/she has got Offer for PGPM-HR (Preference 2) and accordingly, he has paid Rs. 0,00,000/- as Offer Acceptance Fee for PGPM-HR Course and has paid Rs. 00,000/- as Waitlist Commitment amount for PGPM Course. Subsequently, in the second list, he/she has got admission to PGPM as well.

When he/she login to the portal, after the publishing of second list, there should be a message in the dashboard asking “Do you really want to change your course?”

If he/she choose “Yes”, the following message will appear:

Kindly select one of the below options:

Since you are changing the preference, the offer acceptance fee of Rs.0,00,000/- paid for PGPM-HR will be adjusted against PGPM Course fee. As a result, you will have to pay the remaining course fee of Rs.0,00,000/-.

(or)

If you want to withdraw the Offer Acceptance Fee of Rs.0,00,000/- paid for PGPM-HR Course, you will have to pay the remaining course fee of Rs.0,00,000/- for PGPM Course.

If he/she choose “No”, the following message will appear:

Kindly select one of the below options:

Since you are not changing the preference, the waitlist acceptance fee of Rs.00,000/- paid for PGPM will be adjusted against PGPM-HR Course fee. As a result, you will have to pay the remaining course fee of Rs.0,00,000/-.

(or)

If you want to withdraw the waitlist Acceptance Fee of Rs.00,000/- paid for PGPM Course, you will have to pay the remaining course fee of Rs.0,00,000/- for PGPM-HR Course.

2.3 Generation of Third and Subsequent lists:

The programme wise rank (Overall as well as Category-wise) that was allotted during the generation of second list will remain the same for the third list as well as subsequent lists. All the remaining process will be same as Second List.

2.4 Sequence of the Process:

- i Uploading of Raw Data
- ii Generation of First List
- iii Deadline for payment of Offer Acceptance Amount (OAA) and Waitlist Commitment Fee
- iv Generation of Second List
- v Deadline for payment of balance Term I fee for those who has paid OAA in the first list.
- vi Deadline for payment of balance Term I fee who has got offer in the second list (Sl.No.5 & 6 can be either same or different dates).
- vii Generation of Third List.
- viii Deadline for payment of balance Term I fee who has got offer in the third list.
- ix Generation of Fourth List.
- x The same process will continue till the generation of last offer list.
- xi Deadline for Registration.
- xii Deadline for Withdrawal.

2.5 Reports to be download from the backend for verification purpose:

- a. System generated Files after generation of each list.
- b. Programme-wise Payment Report (Bank-wise) (between any two dates, date-wise transactions, entire transaction details from day one to as on date)
- c. Programme-wise Payment Report that includes transaction details of both the payment gateways service providers (between any two dates, date-wise transactions, entire transaction details from day one to as on date)
- d. Programme-wise Withdrawal Report (between any two dates, date-wise withdrawal list, entire withdrawal details from day one to as on date). There should be a provision for generating report with filtration (Withdrawn after paying OAA, withdrawn after paying acceptance fee, withdrawn after full payment, withdrawn before/after registration) and without filtration.
- e. Converted candidates list from different categories to General.
- f. Programme-wise application in excel format (submitted application, paid and incomplete/not submitted the application).
- g. Programme-wise list of candidates who have paid the only Offer Acceptance Amount (OAA).
- h. Programme-wise list of candidates who paid the only WL commitment amount.
- i. Programme-wise list of candidate who made full payment (Currently Rs.0,00,000/-)

2.6 Few Other Points related to Online Admissions Portal

- a. There should be a provision to fetch the "Offer Letters for Preparatory and Non-Preparatory" for both the programmes along with the Explanatory Notes in pdf format for the Offered Candidates.
- b. There should be a provision to fetch the "WL Offer Letter" to the WL Candidates for both the programmes.
- c. There should be a provision to upload the "Last Year Waitlist Movement Status" in the dashboard of WL Candidates (PDF Version).
- d. There should be a provision to upload the "Instructions to the Candidates" in the landing page of the students dashboard. (PDF Version)
- e. There should be a provision to segregate the successful transaction and failure transactions during the generation of payment.
- f. The details of the candidates, who have withdrawn from the programme should not be reflected in any of the payment reports and also in the application list.
- g. List-wise payment and withdrawal report.
- h. In the payment report, there should be segregate, the candidates who paid only OAA, only WL acceptance fee, full payment).
- i. Once a candidate changed his/her course, the same should be automatically reflected in the reports (They should be listed under finally admitted course only).
- j. All the inputs that IIMT has to set should be configurable from the backend as the values could change over the years. Whatever the inputs to be entered during the generation of each list should also be configurable by IIM Trichy.
- k. If there are any missed points in the above procedure/process, the same will be included during the initial discussion/customization/development/testing (first year), in consultation with the successful bidder.
- l. The amount mentioned in different parts of this tender document are dummy and the actual values will be provided before hosting. These values also shall vary over the years due to change in the policy.
- m. 24 x 7 online support is needed during the Admissions process. However, the successful bidder will be required at the site for the Kick-off meeting for better understanding the broad scope of work and as and when required by the Institute.
- n. Testing and Training should be provided to IT and Admissions Office staff of IIM Trichy.
- o. Hosting Server along with support and maintenance should be provided by the successful bidder as per the specification / requirement given in the tender document and the same has been mentioned in the price bid of tender document as well.
- p. Sub domain name will be decided by IIM Trichy.
- q. Admission process will be a continuous period of 5 months on every year during the admission cycle.

- r. No additional charges will be paid by the Institute for adding of new program in the same dashboard having similar admission process. Accordingly, the design has to be made so that we could add third or fourth programmes from the backend as and when required. However, as of now, there is no immediate plan to add any new programme.
- s. For addition of any New Program in a separate dash board having very different admission process, the rate should be quoted as per the BoQ (per person hour for 200 person hours per year) given at Point no. 5 of the Price Bid in the Tender document.

All images provided in this document are purely for illustrative purpose to provide the expected use case. However, the design of the user interface has to be aligned with IIM Trichy user representatives before development.

2.7 Online Application Form:

- a. There should be a button on the main screen for candidates for filling the personal details cum “Online Application Form”. This form should be activated only for those who have been offered admission for any one of the programs. This form is currently same for both the programs offered by the institute. This form has to be designed by the vendor in alignment with IIM, Tiruchirappalli. The indicative functionalities that are expected to be in this form are given below. The final requirement has to be aligned before development.
- b. In the Application form, the Preference course 1 & 2 should be automatically fetched from the Preference set by the candidate on his/her dashboard. Finally admitted course should also appear in the application form when we take the final report from the backend.
- c. When the candidate clicks on this “**Personal detail cum Application Form**” button, the online form should be loaded as a separate tab in the browser. This form has multiple sub tabs within it which collects the necessary details from the candidate.
- d. The application form that has been generated during the last year admission is enclosed as **Annexure – IX** for reference. However, additional fields and documents upload options needs to be incorporated further which will be decided during the kick off meeting.
- e. In the Online Form, on Graduation section need to have two Radio button option as Percentage and CGPA/GPA. Based on the user selection of radio button, Percentage Column or CGPA/GPA column will be enabled in the Graduation table.
- f. There should be a sub tab for the candidate to enter his/her prior educational qualifications. Among other things, there should be provision for adding semester wise (10 Semesters) and year wise (5 years) marks from prior degree programs. The candidate should be able to manually enter the total CGPA and percentage scored from these prior degree programs.

- g. There should be a sub tab for the candidate to enter his/her prior work experience details in a tabular format.
- h. There should be a sub tab for the candidate to upload his/her medical fitness certificate, Anti-ragging undertaking form, Valid category certificate for SC/ST, NCL-OBC, and EWS categories, and any other undertaking form mandated by IIM, Tiruchirappalli from time to time
- i. The applicant should be promoted to make the 'final submission' of this application form within the timeline specified by IIMT user administration.
- j. **Any candidate who has not paid the program fees (Term I fee) should not be allowed to submit the application form.**
- k. Once a candidate submits the application form, the label of the button in the main screen should be changed to 'download the application form'.
- l. The last sub-tab of this form should have a preview page which will provide a summary of all the details entered by the candidate and will have a final submission button that allows him/her to submit the application form. After final submission, candidates will not be allowed to edit the form. There should be warning message for the same during final submission.
- m. The penultimate sub-tab of this form is the payment details. If an offered candidate has not paid the acceptance fee from the dashboard (second screen) then he should be able to pay the acceptance fee as well as final payment using the penultimate sub-tab within this application form. If the candidate has made the payment, then the payment details (as explained earlier) should be displayed in this sub-tab.

2.8 Payment Details:

- i. The payment of program fees should be auto calculated by the system based on the program for which offer is made.
- ii. If the candidate has not paid the acceptance fee from the dashboard, then he should be promoted to pay the acceptance fee and program fees separately through the payment sub-tab (penultimate sub-tab) of the application form.
- iii. If the students are paying the final installment (course fee) through Bank Loan, only payment details (Name of the Bank, Branch name, Reference/Transaction number, Loan Number, Date of Payment and amount paid) should be entered instead of payment gateway transaction. This won't be applicable for the acceptance fee payment.
- iv. If the students are paying the fee (acceptance fee/ course fee) final installment through NEFT/IMPS/Other payment mode, only payment details (Name of the Bank, Branch name, Reference/Transaction number, Loan Number, mode of payment, Date of Payment and amount

paid) should be entered directly from the backend by IIMT officials instead of payment gateway transaction.

- v. If a candidate has made the payment successfully and the system shows that the payment has been failed. For such transactions, the user administrators should be able to change the transaction status to successful from the backend.
- vi. If the candidate who has paid full amount, withdraw within registration date then **Rs.0000/-** should be deducted as processing fee automatically. A text should also be appeared for such candidates near the 'Amount of refund' text box as given below: **"Rs.0000/- has been deducted as per the refund policy"**. There cannot be any partial withdrawal of amount from any program for which full payment has been made.
- vii. Download payment (Payment History) button should list all the payments made by the candidate in a pop up window. They should be able to open one of them and take printout / save as PDF.
- viii. All the payment details should be listed under payment history as shown in the illustrative image under case-1.
- ix. If a candidate is unable to pay the fee through Payment Gateway, there should be a provision for the user administration to update the NEFT / other mode payment details of a candidate via an administration interface. The payment details and receipts of these manually entered records should also be accessible to the candidate via the portal for view / download.

2.9 The following are the highlighted points for generating rank list:-

- a. If two or more candidates get same marks, then the rank (overall/category wise) should be make based on the Date of Birth.
- b. If the person who gets offer with lowest cut of marks, the other candidates in the same category with the same marks (rank would be different) should also get offer.
- c. During the publishing of each list, rank of the candidate who has got offer and scored the lowest marks under each category will be shown as 'offer made upto' for the respective category.
- d. Based on the cut-off marks specified by the user administration team (from time to time) the second list, third list etc of offers should be generated automatically and all processes described above should be triggered.

2.10 The following are the highlighted points for the system w.r.t management of process deadline:

- a. The user administrator should be able to set deadlines for last date of payment for acceptance of the wait list, acceptance of the offer etc. using a simple user interface.
- b. The deadline for Payment of acceptance fee for both offered and waitlist candidates will be applicable only for the first list.
- c. From the second list onwards, the deadline for all the offered candidates would only pertain to the payment of the first installment of the program fees (Term I fee).
- d. Please note the deadline for the payment of program fees will be different for candidates from different lists.

2.11 The following are additional reporting requirements pertaining to payment module:

- a. The following fields pertaining to the candidate / transaction needs to available as an on-demand report to the user administrators via a simple user interface: -
 - i. Filter on dates (on date and dates between)
 - ii. CAT-Reg. No
 - iii. Name of the candidate
 - iv. Gender
 - v. Category
 - vi. Course Name
 - vii. Amount
 - viii. Date of payment
 - ix. Reference Number
 - x. Type of Payment (Acceptance fee/final payment)
- b. Once a candidate pays the fee, a push message (email and SMS) should be automatically sent to the candidate confirming the same. A report on the candidates who have paid the fees should be available on-demand. This report should also be filtered on program and dates (on date, and date between).
- c. A report on the candidates where payment was attempted but failed.
- d. A report on a set of candidates, as searched using CAT registration number, date of offer, name, or application status.
- e. A report on the candidates that have paid the (i) program fees, (ii) offer acceptance fee, but not program fee, (iii) acceptance fees but submitted a request for withdrawal, (iv) program fees by bank loan, (v) program fees via NEFT.
- f. Any additional customized reports that are required by IIM, Tiruchirappalli admissions office during the admissions season.

2.12 The following are additional reporting requirements pertaining to withdrawal module:

- a. The candidates should be able to withdraw only until the date of registration. The withdraw button should be active only if the candidate has paid the acceptance fee.
- b. If the candidate has clicked the button to withdraw from the program / further consideration of the wait list, then in the next screen, information on candidate bank details (as given below) need to be collected using a form.
 - i. CAT ID (pre populate)
 - ii. Name of the Candidate (pre populate)
 - iii. Date of Payment (pre populate)
 - iv. Reference Number (pre populate)
 - v. Amount Paid (pre populate)
 - vi. Account Holder Name for refund
 - vii. Bank Name
 - viii. Account Number
 - ix. IFSC Code
 - x. Branch Name & Address
 - xi. Date of withdrawal (automatic)
- c. A confirmation / warning message box is required to make the candidate confirm the withdrawal. If he/she cancels the withdrawal, then the control should be taken to previous screen. Withdrawal request should be submitted only if the candidate clicks the submit button. Once confirmed, there should be a message to the candidate that the 'The amount will be refunded within 10 working days'.
- d. If withdrawal request is submitted by the candidate then an email should be sent to the finance wing (aofa@iimtrichy.ac.in) and admissions office (admissions@iimtrichy.ac.in).
- e. **The deduction for those who are withdrawing on or after the registration date will be made from the applicable program fees as per the following rules;**

Tuition Fee – Refund of tuition fee will be as under;

- i. If a student withdraws within a month from the date of Registration, the amount will be refunded after deducting one month's tuition fee, which will be calculated taking into account of 12 months' tuition fee (Annual Fee/12 months X 1 month).
- ii. If a student withdraws after one month from the date of Registration, the amount will be refunded after proportionate deduction.
- iii. Caution deposit – Full amount will be refunded.

- iv. Mess Fee – The deduction will be on proportionate basis. Number of days will be calculated and the amount will be deducted as follows:
- v. Mess Amount to be deducted = Mess advance collected – (No. of days X Daily charge).
- vi. No. of Days = Days between Date of withdrawal & (Regn_Date+1)
- vii. Processing Fee of Rs.1000/- should not be deducted.

Note: The above-mentioned refund rules may or may not be changed every year.

2.13 The entire data stored in the application form module should be available for save as PDF (at each candidate level) or save in the MS Excel (for multiple candidates) as a report that will be extracted by the user administration team.

- a. The user administration team should be able to search / filter candidates to extract these reports in PDF or XLS format.
- b. A detailed XLS format report capturing all the fields collected from all the students registering for a program in a particular batch should be available for extract for upload into the ERP system of IIM, Tiruchirappalli.

2.14 Hosting:

The vendor has to host the admission portal on a cloud / managed dedicated server or hosting plan and the same should meet the following requirement without any performance issue/latency:

- a. The vendor has to use an open source Database like MySQL/PostgreSQL and the hosting server should support the same.
- b. **The vendor should use the cloud / hosting service providers from any one of the following:**
 - GoDaddy,
 - HostGator,
 - CtrlS,
 - AWS,
 - Azure.
- c. The Server should be preferably on Linux platform.
- d. The Server should have preferably 64 GB RAM, unlimited bandwidth and Quad core processor or better. However, based on the application, load and resource utilization, the vendor should take a decision to ensure the best performance.
- e. FTP backup should be there and automatic backup needs to be configured.
- f. The server should have a cPanel or equivalent for easy administration.
- g. Firewall protection and intrusion prevention system (Anti-virus, anti-malware, anti-phishing, etc.) should be available on the server.

- h. The coding and SQL queries should be fine-tuned to avoid overload on the server.
- i. The load testing should be done using test data with 15,000 candidates and 10,000 concurrent access and performance fine-tuning / optimization need to be done accordingly to provide maximum performance. Necessary load testing applications to be used for the same.
- j. Month-wise concurrent access is given below:
 - First Month – 10,000 (First two weeks)
 - First Month – 6,000 (Third and Fourth Weeks)
 - Second Month – 4,000
 - Third Month – 2,000
 - Fourth & Fifth Month – up to 1,000
- k. The successful bidder should bear the cost of hosting and server.
Sub-domain (eg. <https://admissions.iimtrichy.ac.in>) will be provided by IIM Trichy.

2.15 Non-Functional Specifications

The following are the non-functional requirements to be met by the admissions portal:

- a. The system should be available 24x7 basis during the entire admissions process. The number of concurrent users is expected to be around **10000** users during the peak admission process. Hence the portal should be scalable for this type of load. The portal should be load tested by the vendor before production deployment.
- b. The vendor should maintain and manage their own development environment and should use only dummy data for development and testing purpose.
- c. The staging environment where the load testing will be done / bug fixes will be system tested, will be provided by the Vendor.
- d. The production servers for hosting the live admission portal has to be provided by the vendor. However, the ownership should be transferred to IIMT before making the portal live.
- e. The portal should be thoroughly tested and made fool-proof from third party hacking attacks. The privacy of the personal data on the system should be protected in line with the prevailing data privacy regulations and relevant laws of the land.
- f. The vendor should ensure that emails / SMSs that are triggered through a bulk sending application (email gateway / SMS gateway) does not suffer from any performance issue, especially when sending 10,000 emails / SMS together. Approximately 1 Lakhs email/SMS credits should be available from Day 1 and the vendor should monitor and add additional email /SMS credits according to the usage / requirement. The vendor should ensure that the emails will not go to the Spam folder for which the reliable applications like mailChimp has to be used.
- g. The code for sending SMS and emails should be functionally separated so that the issue in sending email would not affect the sending of SMS.
- h. Green bar SSL should be activated and two payment gateways needs to be integrated on the admission portal. From the report, we should be able to segregate the payment made through each payment gateway. One payment gateway should be in SBI Payment gateway and another payment gateway can be either from a third-party service provider or from another bank as advised by IIM Trichy. It is mandatory to provide Green bar SSL or better SSL certificate in consultation with the Systems Administrator according to the requirement of the payment gateway service providers.
- i. During the window when a new list is being published, access to all the candidates should be turned off to the portal and all the live connections/users/sessions need to be terminated. Only after a manual verification of the uploaded data, access should be enabled again. Provision for this turn-on / turn-off feature is required in the system as a part of the administration panel.

- j. The vendor should create user friendly interfaces for accessing / modifying / deleting the data from the back-end database for various data administration requests that are sent to them from time to time. The access permission to do these operations should be restricted to a select group of admin users.
- k. The vendor should create a provision of safely archiving the admission data pertaining to a particular academic year and start with a clean slate for the admissions of next year. This old data should be stored in such a manner that it can be retrieved on a demand basis.
- l. Existing data migration is not needed but the data migration from the Admissions portal to IIM Trichy's LMS will be required.

3. INSTRUCTIONS TO BIDDERS:

a. Tender Fees

Tender Documents are to be downloaded from the Institute's website <https://www.iimtrichy.ac.in/tender-published>. However, the bidder(s) should remit a Non-Refundable Tender document fee of **Rs. 1,180/-** (inclusive of GST) through online transfer to "IIM TIRUCHIRAPPALLI" as per the bank details provided at Page one. However, they have to enclose valid self-attested registration certificate(s) along with the tender to this effect.

- iv. The bidders who seeks exemption from EMD as per clause above, if they withdraw or modify their bids during the period of validity, or if they are awarded the contract and they fail to sign the contract, or to submit a performance security before the deadline defined in the bid document, they will be suspended for the period of three years or as decided by the competent authority from being eligible to submit bids for contracts with the entity that invited the bids.

c. Relationship Certificate

- i. The bidder should give a certificate that none of his/her near relative is working in the units as defined below where he is going to apply for the tender. In case of proprietorship firm certificate will be given by the proprietor. For partnership firm certificate will be given by all the partners and in case of limited company by all the Directors of the company. Due to any breach of these conditions by the company or firm or any other person the tender will be cancelled and Bid Security will be forfeited at any stage whenever it is noticed and IIM Trichy will not pay any damage to the company or firm or the concerned person.
- ii. The company or firm or the person will also be debarred for further participation in the concerned unit.
- iii. The near relatives for this purpose are defined as follows: -
- iv. Members of a Hindu undivided family,
- v. Spouse,
- vi. The one is related to the other in the manner as father, mother, son(s) & Son's wife (daughter in law), Daughter(s) and daughter's husband (son in law), brother(s) and brother's wife, sister(s) and sister's husband (brother in law).
- vii. The Relationship Certificate ([Annexure-VI](#)) needs to be placed in the Technical bid cover.

d. Amendment to bid document

- i. At any time prior to the date of submission of bids, IIM Trichy shall modify the bid document with amendments on its own.
- ii. Such amendments shall be notified on IIM Trichy website only and these amendments will be binding on all prospective bidders.
- iii. The Institute may at its own discretion extend the last date for the receipt of bids.
- iv. IIM Trichy reserves the right to cancel the tender without assigning any reason at any stages of evaluation before finalization.
- v. IIM Trichy also reserves the right to, at any time and in its absolute discretion the following:
- Accept or reject any or all bids.
 - To obtain further clarification or supporting documents during the technical bid evaluation.

- To suspend, discontinue, modify and/or terminate the Tendering process at any time.
- To reject any unreasonable bid.
- To reserves the right to modify/change/delete/add any further terms and conditions prior to issue of work order.

e. Conditional Bids:

Conditional bids or Bids based on the process / basic schemes other than mentioned and / or not conforming to the technical specifications / requirements of the Bidding documents will not be considered.

f. Eligibility Conditions for Bidders

- i. The tendering Agency must fulfill the conditions mentioned in the succeeding paras in order to be eligible for technical evaluation of the bid.
- ii. The bidder(s) should be registered with the Goods and Services Tax council for the purpose of Goods & Service Tax (GST). A copy of the GST registration certificate has to be submitted with the tender document. A copy of GST Registration Certificate, PAN and Bank account details should be submitted along with the Technical Bid. The names appearing on all these documents and tender document should be same or linked.
- iii. The bidder(s) should be registered with the appropriate registration authority and should be in existence for not less than three years as on 31/12/2020. Copy of Certificate of Incorporation or relevant registration certificate should be attached.

7. TENDER EVALUATION PROCESS

- Selection of the vendor shall be based on ***Quality and Cost Based Selection (QCBS)*** under the Rule 192 of the General Financial Rule 2017. The proposals will be evaluated by taking the following factors into consideration:
- Final selection of the vendor shall be based on ***Quality and Cost Based Selection (QCBS)*** with ***70% weightage for technical*** evaluation and ***30% weightage for commercial*** evaluation.
- The bidder would be selected on the basis of ranking and evaluation of Technical and Price Bids by a Committee formed by the Institute, and the Committee's decision would be final and binding.

The process of selection of the successful bidder would be determined as under:

Stage 1: Document verification – Verify the document submitted by the bidder and firms qualified shall be invited to make presentation through virtual mode to the Evaluation Committee of IIM Trichy. The Bidders, who have remitted a non-refundable Tender document fee of Rs. 1,180/- and an Earnest Money Deposit of Rs. 20,000/- (Rupees twenty thousand only) to IIM Trichy (wherever applicable) and meeting all the basic eligibility conditions mentioned at **page 33-35** of the tender document, will only be considered to make the presentation to the Evaluation Committee.

Stage 2: Technical Evaluation – Those qualified in Stage-1 shall be invited to make a presentation to the Evaluation Committee on **11/03/2021 from 11.00 Hrs** onwards through virtual mode. The committee will assess the firm as per criteria mentioned in the technical bid.

The bidders are requested to prepare their own technical proposal. The technical bid shall contain all the relevant information which forms part of the technical bid. All information should be organized in logically structured form and submitted as technical bid with an index. Bidder is free to add any information that can help in assessing technical quality of the solutions proposed and which touches upon the parameters/attributes for technical assessment.

The information provided in the technical bid will be used for understanding and assessing/evaluating the quality of solution being proposed by the bidder. Technical evaluation of the bidder will depend on the information provided herein and the presentation to the committee members. **Technical bid score, out of 100 Marks**, will be arrived based on the following Parameters:

S. No	Parameters for Technical Evaluation	Maximum Score
1	<p>The bidders must have executed work (each of which should be of at least 40% of the estimated value) during the last one year (as on 31st December 2020) in managing the online Admissions Portal of reputed academic Institutes like IIMs or IITs/IISER/NITs or reputed B-schools/Universities having been ranked in NIRF Ranking 2020, for a minimum period of one year. 6	Service & Support a. Design and Development – 3 Marks b. Testing and Cut over – 3 Marks c. Post Delivery Support – 7 Marks d. Maintenance and Enhancement – 7 Marks	20 Marks
	Total (Technical Score) =	100 Marks

Decision taken by the Evaluation Committee on the Technical Evaluation will be final.

At the end of this stage, each firm will have Technical score (out of 100 Marks) associated with it. Bidders getting less than **65 score** in the Technical bid will not be considered for opening the price bid.

Price bids will be opened for the bidders getting score **65 and above** in technical bid evaluation.

Under QCBS selection process, the **technical proposals** will be allotted weightage of **70%** (seventy per cent) while the **financial proposals** will be allotted weightages of **30%** (thirty per cent).

Stage 3: Final score (combined score) Technical bid and price bid together will be used to arrive the highest **techno commercial score (TCS)**. The bidder with the highest **TCS** will be chosen to provide the services covered by this tender.

The TCS of a bidder with technical score T and commercial bid value C is calculated using the following formula.

$$TCS = 0.3 * CI/C + 0.7 * T/TI$$

where CI is the lowest commercial score and TI is the highest technical score.

The technical score will only be revealed to the bidders just before opening of the commercial bid.

The Bidder securing the highest combined score of **TCS** will be invited for negotiations/discussion, if required, and shall be awarded the contract. In the event of two or more bidders have the same TCS score in the final ranking, the bidder with the highest technical score will be declared as successful bidder.

Any inquiry after submission of the quotation will not be entertained. The decision of IIM Trichy will be final and binding to all for interpretation of any ambiguity.

Opening of Price Bid: The price bids of all the technically eligible bidders will be opened after the technical bid evaluation including all the presentations by the qualified bidders in the presence of technically eligible bidders or their authorized representatives through video conferencing mode. **The date and time for opening of the Price Bid will be informed later.** Bidders/ Representatives have to send the scanned copy of letter of authorization from their firm (or firms they are representing) to purchase@iimtrichy.ac.in before attending the price bid meeting on the given date (to be informed later) to participate in the opening of Price Bid as per the format enclosed vide [Annexure-V](#).
