

Leadership Conclave 2024 (Daksha 3.0) – Episode 1

Conclave Theme - Leadership Renaissance: Embracing Change, Seizing Opportunities

Concept Note - In today's rapidly evolving global landscape, leadership is undergoing a renaissance. The traditional leadership models are no longer sufficient to navigate the complexities of the modern world. In this era of unprecedented change, leaders must embrace transformation and proactively seize opportunities to drive their organizations toward success.

At the heart of the conclave is the recognition that effective leadership in the 21st century requires agility, adaptability, and a growth mindset. Leaders must be willing to challenge the status quo, embrace innovation, and leverage emerging technologies to stay ahead in a hyper-competitive environment.
